

Exam-style questions and sample answers have been written by the authors. In examinations, the way marks are awarded may be different. References to assessment and/or assessment preparation are the publisher's interpretation of the syllabus requirements and may not fully reflect the approach of Cambridge Assessment International Education.

# > Answers to the coursebook

## Chapter 1: Reading skills and strategies

### 1.1 An introduction to reading skills

- 1 Students' own answers.

### 1.2 Reading strategies

- 1 Students' own answers.

- 2
- a This is a travel article written with the main purpose of persuading potential tourists to visit Bali, although it also provides readers with information about the attractive features of Bali and how and when to travel. Intended readers are likely to be adults in countries outside Indonesia who have an income high enough to make international travel affordable.
  - b Bali offers: golden beaches; spectacular scenery; surfing and trekking; diving and snorkelling opportunities; spas; yoga and meditation retreats; markets and galleries; nightlife; cafés and restaurants; picturesque beaches; rural charm of inland areas; views over mesmerising valleys.
  - c Paragraph 1: beautiful scenery makes Bali popular. Paragraph 2: there are water sports, relaxing retreats, and shopping, dining and nightlife opportunities. Paragraph 3: there are quiet, unspoilt places away from crowds. Paragraph 4: info on flights, weather, seasons, languages and currency. Paragraph 5: imperative and exclamatory sentences tell readers to go to Bali.
  - d We can infer that the tourist industry has reduced the unique nature, beauty and charm of some parts of Bali.
  - e Answers will vary but students may suggest the following:
    - personification and alliteration make the sentence memorable and persuasive
    - visual scene description and modifiers 'stunning' and 'intricately' help readers picture Bali's landscape.
  - f Pre-reading Text 1.1's title 'Explore Bali!' indicates the purpose of the article. Questions a–c contain important command words such as 'scan', 'skim', 'closely read', 'what is inferred', etc. which students should pre-read before writing answers more fully.

### 1.3 Types of texts

- 1
- a Non-fiction: A, C, F, G, I, J. Fiction: B, D, E, H
  - b In their discussions, students may note that the non-fiction texts refer to real people, places and situations, including dates, facts and figures. The fiction texts refer to imagined characters and places (e.g. robots and spaceships) and have more examples of descriptive and figurative language.

# O Level Geograph Green Book

**Y Pai**

## **O Level Geograph Green Book:**

Getting the books **O Level Geograph Green Book** now is not type of challenging means.
