at sports and coaching Society advocates sports as a means to instill virtue and character in our youth But we all know that
the system is broken to a large extent from youth sports through college and beyond Too many coaches and parents are
driven by the scoreboard the win at all costs model Is it any wonder that 70% of kids drop out of sports by age 12 Many
of us remember the words and actions of coaches for a lifetime What memories are you leaving with your athletes Chris helps
us make sense of why sports are broken and how they can be restored as a tool to positively impact lives It all centers on
