

The background of the slide is a painting of a cowboy on a dark horse, wearing a hat and holding a lasso, herding a large white and brown longhorn. The scene is set in a vast, open landscape with rolling hills and a hazy, sunset-colored sky. The painting is in a classic, somewhat soft style.

cattle trails running north from Texas to the cow towns of Kansas As farmers began to challenge the ranchers for control of the land Adams witnessed the gradual fencing in of the cattle country that would eventually end the short age of the open range He made his last cattle drive in 1889 In 1893 Adams left Texas for Colorado attracted by rumors of gold at Cripple Creek Like most would be miners he failed to make a fortune in the business He eventually settled in Colorado Springs where he remained for most of his life While doing on a variety of jobs Adams began to write stories based on his experiences as a Texas cowboy In 1903 he found a publisher for his novel The Log of a Cowboy a thinly disguised autobiography of his life on the plains A fascinated public welcomed tales from the former cowboy and Adams wrote and published four similar volumes in less than four years It s so interesting **Reed Anthony, Cowman** Andy Adams,2020-07-24 From the writer and genuine Western Trail cattle driver responsible for some of the best and most realistic accounts of cowboy life in literature We are happy to announce this classic book Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers Our goal is to access the very large literary repository of general public books The main contents of our entire classical books are the original works To ensure high quality products all the titles are chosen carefully by our staff We hope you enjoy this classic
