Commentators Rev. G. W. Grogan, 1877 *The Renaissance of the Saints After Reform* Gina M. Di Salvo, 2023 In the first book length study of the English saint play across the Reformation divide this book recovers the surprisingly long theatrical life of the saints It shows how saints in performance frequently diverged from religious narratives in the Middle Ages and also made a spectacular reappearance in the theatre of Shakespeare s time **Rituals of Death and Dying in Modern and Ancient Greece** Evy Johanne Håland, 2014-10-02 Winner of the AFS Elli K ng s Maranda Prize 2016 Multidisciplinary or post disciplinary research is what is needed when dealing with such complex subjects as ritual behaviour This research therefore combines ethnography with historical sources to examine the relationship between modern Greek death rituals and ancient written and visual sources on the subject of death and gender The central theme of this work is women s role in connection with the cult of the dead in ancient and modern Greece The research is based on studies in ancient history combined with the author s fieldwork and anthropological analysis of today s Mediterranean societies Since death rituals have a focal and lasting importance and reflect the gender relations within a society the institutions surrounding death may function as a critical vantage point from which to view society The comparison is based on certain religious festivals that are dedicated to deceased persons and on other death rituals Using laments burials and the ensuing memorial rituals the relationship between the cult dedicated to deceased mediators in both ancient and modern society is analysed The research shows how the official ideological rituals are influenced by the domestic rituals people perform for their own dead and vice versa that the modern domestic rituals simultaneously reflect the public performances As this cult has many parallels with the ancient official cult the following questions are central Can an analysis of modern public and domestic rituals in combination with ancient sources tell the reader more about the ancient death cult as a whole What does such an analysis suggest about the relationship between the domestic death cult and the official Since the practical performance of the domestic rituals was and still remains in the hands of women it is crucial to discover the extent of their influence to elucidate the real power relations between women and men This research represents a new contribution to earlier presentations of the Greek reality but mainly from the female perspective which is highly significant since men produced most of the ancient sources This means that the principal objective for this endeavour is to question the ways in which history has been written through the ages to supplement the male with a female perspective perhaps complementing an Olympian Zeus with a Chthonic Mother Earth The research brings both ancient and modern worlds into mutual illumination its relevance therefore transcends the Greek context both in time and space **Black Saints in Early Modern Global Catholicism** Erin Kathleen

Rowe,2019-12-12 This is the untold story of how black saints and the slaves who venerated them transformed the early modern church It speaks to race the Atlantic slave trade and global Christianity and provides new ways of thinking about blackness holiness and cultural authority Celebrating the Saints Robert Atwell,2017-02-27 For every major feast saint s day and commemoration in the calendars of the Anglican churches of the UK this liturgical resource and spiritual companion offers a feast of readings that reflects the richness depth and variety of the Christian tradition from the earliest years of the church to the present day Writings from across the centuries represent the Eastern Western Roman and Celtic traditions and constitute a vibrant history of Christianity manifested in the lives of hundreds of holy men and women as diverse as first century martyrs or twentieth century social reformers A complementary volume to Exciting Holiness which provides scripture readings and prayers for the calendar this is now updated to include the additional commemorations in the Church of England s calendar of saints **Common Worship: Saints on Earth paperback edition** John H. Darch,Stuart K. Burns,2017-11-30 Offering an inspiring mix of history and biography Saints on Earth tells the stories of the diverse people commemorated in the Common Worship calendar of Holy Days with over 250 saints days festivals and commemorations that greatly enrich the Christian year This wide ranging selection of spiritually significant men and women features Celtic and Catholic saints Reformers Tractarians bishops and missionaries together with poets writers martyrs social reformers kings and queens Recent heroes and heroines of faith both Anglican and from other Christian traditions are celebrated alongside those who inspired the Early Church This versatile companion is a rich source of inspiration for preaching and leading prayers and worship throughout the year It is now updated to include figures added to the Common Worship calendar in recent years **Women, Pilgrimage, and Rituals of Healing in Modern and Ancient Greece** Evy Johanne Håland,2023-07-21 This book investigates religious rituals and gender in modern and ancient Greece with a specific focus on women s role in connection with healing How can we come to understand such mainstays of ancient culture as its healing rituals when the male recorders did not and could not know or say much about what occurred since the rituals were carried out by women The book proposes that one way of tackling this dilemma is to attend similar healing rituals in modern Greece carried out by women and compare the information with ancient sources thus providing new ways of interpreting the ancient material we possess Carrying out fieldwork being present during often enduring rituals within cultures despite other changes teaches one whole new ways of looking at written and pictorial records of such events By bringing ancient and modern worlds into mutual illumination this text also has relevance beyond the Greek context both in time and space **History of Saint Louis City and County** John Thomas Scharf,1883 **Saints** Dawn Marie Beutner,2020-05-06 Since Jesus told us to be perfect and Vatican Council II emphasized a universal call to holiness for all Christians how do we learn to do that One great way is to learn from and pray with the saints of the Catholic Church We can follow in the footsteps of the ordinary Catholic men and women who fought the good fight to be holy until the end of their lives and won that fight The saints have

been the inspiration of faithful Catholics for hundreds of years because they show us what it looks like to follow Jesus Christ despite countless challenges and obstacles This unique book contains short biographies of multiple saints for every day of the year including an intercessory prayer to each saint This helps the reader to learn about and pray with the numerous saints of the Church the communion of saints whose personalities and challenges often resonate with our own This collection also provides wonderful resource information to learn more about individual saints inspiring quotes from saints and detailed explanations of Catholic terms that often befuddle us The saints in this collection come from every period in his tory countries age ranges and vocations They show us that holiness truly is a path open to all who seek to follow Jesus Christ By reading about the lives of the saints each day we can learn how to apply their life lessons to our own daily challenges By praying daily for their help we can ask for their spiritual help and wisdom and point ourselves toward Heaven where we hope to spend eternity with God

Ireland's Saint J. B. Bury, 2009-02-01 Explore Patrick's place in history the spread of Christianity beyond the Roman Empire how Patrick first came to Ireland the influence of the earlier Palladius on Patrick's work political and social conditions at that time and the spiritual battles with the Druids This 21st century edition now includes notes from other biographers mystics historians and storytellers of Ireland The ideal place to begin any exploration of a much loved but little known saint Bury proves to be more than a mere dry historian he turns out to be a fine storyteller as well and his accounts of Patrick's spiritual duels with Druid priests for the heart and mind of the Irish king are quite gripping History Book Club Editor writer Sweeney gives Bury's 1905 biography of the legendary St Patrick a greater contemporary context in this meticulously researched and presented work Bury wrote what Sweeney calls the ideal modern biography of Patrick Sweeney assembles and rearranges material from Bury's original work and incorporates more of Patrick's own words from his Confession and Letter against Coroticus Sweeney's light edits to Bury's text clarify exactly what Patrick did in Ireland noting that although he did convert some pagan kingdoms he also was responsible for organizing Christians who were already there and connecting the island with the church of the Roman Empire
