Psychometric Tests For Dummies Liam Healy, 2012-01-24 Today's job market is tough; it's dog-eat-dog, ruthless, and competitive. Preparation is essential if you want to get the edge. As psychometric testing becomes standard for blue-chip companies to one-man bands, this For Dummies guide could mean the difference between success and failure. As the world of HR embraces psychometric testing more and more, people are faced with the daunting prospect of having to sit these mysterious exams. The tests have become the standard way in which employers judge abilities: your capacity to work with numbers, words, and diagrams; your attainment; what you actually know; and your personality: how you're likely to act. Psychometric Testing For Dummies is the essential tool for being prepared and calm. The book takes readers step by step through each type of test: what to expect and how to prepare for them. It also offers over 850 sample questions to practice on. Psychometric Testing For Dummies makes these notoriously difficult and confusing tests easy. Psychometric Testing For Dummies includes: Understanding why psychometric tests are used; Detailed examination of numerical, verbal, technical, and abstract tests; Full explanation of personality tests; How to deal with feedback; Over 850 sample questions.

The Complete Guide to Sales Force Incentive Compensation Andris Zoltners, Prabhakant Sinha, Sally Lorimer, 2006-08-07 A well-designed and implemented incentive program is an essential tool for building a motivated, highly effective sales force that delivers the results you need. Incentive programs are seductively powerful but complicated instruments. Without careful planning and implementation, they can be too stingy to motivate, too complex to understand, too quick to reward mediocre results, and too difficult to implement. The Complete Guide to Sales Force Incentive Compensation is a practical, accessible, detailed roadmap to building a compensation system that gets it right by creating motivating incentives that produce positive outcomes. Packed with hundreds of real-life examples of what works and what doesn't, this important guide helps you: Understand the value of building an incentive plan that is aligned with your company's goals and culture; Avoid the common trap of overusing incentives to solve too many sales management problems; Measure the effectiveness of your current incentive program; Employing easy-to-use tools and metrics for pinpointing its weak spots; Design a compensation plan that attracts and retains successful salespeople; Including guidelines for determining the correct pay level, the best salary incentive mix, the proper performance measures, and the right performance payout relationship; Select an incentive

compensation plan that works for your organization then test the plan before it is launched Set territory level goals that are fair and realistic and avoid overpaying the sales force or demoralizing salespeople by having difficult goals or not fairly assigned Create and manage sales contests SPIFFs Special Performance Incentive for Field Force and recognition programs that consistently deliver the intended results Manage a successful transition to a new compensation plan and build efficient administration systems to support your plan Filled with ready to use formulas and assessment tools and a wealth of insights from frontline sales managers and executives The Complete Guide to Sales Force Incentive Compensation is your hands on easy to read playbook for crucially important decisions
