Salesman Training Manual:

Keep It Simple Selling Damian Boudreaux, 2015-07-07 Keep It Simple Selling is all about shortcuts Let s make selling cars easier Let s make selling trucks faster And for heaven s sake let s make it fun Imagine for a moment how it would feel if you could sell cars just by being yourself and finding ways to serve others naturally and easily How would your life be different if sales opportunities continuously dropped out of the sky and into your lap with no stress or struggle Would you like to sell 80 percent of the people you talk to every day The automotive business is a gold mine Not just for a few natural salespeople for anyone In this industry anyone can advance as far as they want There s no barrier to entry and there s no glass ceiling Your raise becomes effective when you do Damian Boudreaux started out cleaning parts in his friend s transmission shop From there he tried and stumbled and tried again to sell more cars than the month before It wasn t until he began to open his eyes and pay attention to the people around him that he understood what it really takes to succeed in the automotive business The lessons he learned during his journey to becoming a consistently top selling salesman are humbling and inspiring at the same time **Keep it Simple Selling** Damian Boudreaux, 2022 [The Effective Sales Skills Training Manual](#) Tom Karevski, 2004
