the nature of truth in psychotherapy and in the therapist's life examining some of the things that are often denied and rarely spoken about This book contains two parallel narratives the first tells the story of Jacob a man in his seventies who lived through one of the most dramatic periods in history and actually altered events through his acts of violence Following him from his childhood to his recruitment training and life as an assassin it is a tale of intrigue of adventure and courage but one that also raises a number of profound moral issues The reader will find several unexpected but significant themes scattered throughout Jacob's story which upon close examination have significant implications for the ways therapists think about their work and their relationships with clients The second narrative details the author's struggles as a therapist as he tries to make sense of his doubt imperfections and self deceptions The reader will join him on his search for truth in both psychotherapy and life His story becomes a lesson for digging deep into the complex and ambiguous nature of what therapists do and what they think they learn in their work A greatly unique and fascinating work readers will find themselves both enthralled in and changed by Jacob's story and the author's journey

Collectables Ron Harrysson Sunhauke, 2011-10-07 In his collection of short tales poet and storyteller Ron Harrysson Sunhauke Schaefer provides a glimpse into a bizarre humorous and sometimes frightening world of fantasy as he leads a diverse group of characters on a madcap ride from hometowns to outer space from youth to old age and from fascinating possibilities to the wildly impossible Marvin is a geek who one day discovers a humiliating protuberance on his face As the pimple grows to an enormous size Marvin continues to suffer at the expense of his classmates But one day Marvin will prove to everyone that looks are not everything Young Purvis Peevis is rather egregious when it comes to mischief but his curiosity gets the best of him when he steals a tiny bell from his neighbor that proves to have more power than he ever could have imagined Middle aged Bill usually spends his weekends mowing his lawn but when he shows up at a Bliss Academy seminar he is told he will soon meet a friendly neighborhood space alien Collectables creates forty whimsical journeys that blend the qualities of outer worldly planets and small town America forming tales where reality
