

Customer Service Training Course Outline

Foreword:

In order to create customer satisfaction, you need to go beyond good customer service and exceed your customers' expectations with exceptional service. In order to achieve this it is important to ask yourself some questions:

- Do you or your staff have the right skill sets to deliver exceptional customer service?
- Currently how do you improve your Customer Service Skills and approaches?
- Do you strive to continuously improve your customer service?
- Do you listen to your customers and their needs?
- Do you currently listen effectively to uncover the customer's true needs?
- Are internal customers understood and prioritised?

This Customer Service Training Course is for professionals who want to make a significant contribution to their company's image or bottom line and make their own lives easier by consistently providing exceptional customer service.

Outcomes:

- Explain what customer service means in relation to internal & external customers
- Recognise how one's attitude affects service standards
- Master ways to develop & maintain a positive, customer focused, attitude
- Develop needs analysis techniques to better address customer needs
- Apply outstanding customer service techniques to generate return business
- Practice techniques for developing good will through in-person customer service
- Formulate take away techniques for service excellence over the phone
- Gain insight to connecting with customers online
- Master techniques for dealing with difficult customers
- Acquire tools for recovering difficult customers
- Understand when to escalate
