|------------------------------------|-------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Quadrant 1, Right Mode: Connecting | The teacher has little or no connecting activity to introduce the concept.    | Students are not interested in the activity.                                                                             | The activity connects learners to the concept in a personal way and directly relates to the concept.                                                                                            |       |
| Quadrant 1 Left Mode: Attending    | Students have difficulty in forming small groups.                             | Students have little interaction in their groups.                                                                        | This activity is well linked to 1R. Feelings about the activity experience are shared.                                                                                                          |       |
| Quadrant 2 Right Mode: Imagining   | Learners have difficulty in making the link between the concept and content.  | Students have trouble developing and image to depict content.                                                            | The created bridge blends the previous experiences of the learners with the concept leading the way for an examination of the expert content. The concept is transformed into a wordless image. |       |
| Quadrant 2 Left Mode: Informing    | The teacher lectures without group interaction.                               | Same as before with the addition of video and or guest expert.                                                           | The content is delivered in a developmentally appropriate manner and organized for easy understanding by the students.                                                                          |       |
| Quadrant 3 Left Mode: Practicing   | There are some worksheets and teacher prepared exercises.                     | Students are at stations at work centers requiring them to engage different learning activities.                         | Learners are asked to look at information in new ways. In addition, learners prepare practice materials for fellow students.                                                                    |       |
| Quadrant 3 Right Mode: Extending   | Learners are asked to extend the learning into their own lives by discussion. | Learners design real problems with real-world applications.                                                              | Many options for are offered and they are created to appeal to each of the four learning styles and require both analyzing and synthesizing.                                                    |       |
| Quadrant 4 Left Mode: Refining     | The teacher uses tests to evaluate the learning.                              | Learners participate in self-evaluation, editing, refining and reworking of their learning based on agreed-upon rubrics. | Learners get input from peers and the teacher to assess their learning.                                                                                                                         |       |
| Quadrant 4 Right Mode: Performing  | Learners report/demonstrate/perform what they have learned.                   | Those who receive the report, demonstration or performance assess positively.                                            | Learners integrate the content by asking complicated questions as a result of the learning.                                                                                                     |       |
| Total Points:                      |                                                                               |                                                                                                                          |                                                                                                                                                                                                 |       |

## Brain Processing

### Left Mode – Right Mode
