4. **Implementing** – includes responding appropriately to client needs for nursing care and using effective communication when giving interventions and/or teaching.
5. **Evaluating** – includes recognizing intended and unintended effects of measures and treatments, determining evidence of client's compliance with treatment plans and determining evidence of clinical response to treatment and treatments.

### **How to Register:**

The exam can be taken up to three (3) times per year. The examinee must wait a minimum of six (6) weeks between exam attempts. Examinees may select their exam date. However, it is the responsibility of the student to schedule their exam prior to the application deadline and following their senior guidelines. Please note that test scores will be valid for one (1) year only.

Examinees will use NHTE's unique [LINK](#) link to create your **NHTE Student Account**; this link is included on last page of this document. Your NHTE user the actual link, as caller user names will not be accepted by NHTE, which may result in students having to retake and repay for the exam.
