

The Basketball Player

By: Justin

During the championship,
Near the bench,
Outside the three point line,
On the court,
Between the defenders,
Over the block,
Through the defense,
By the basket,
At the backboard,
Off the rim,
Into the net,
Shot the sweaty basketball player.

Selected Poems of John Updike John Updike, Christopher Carduff, 2018-10-23 The best from Updike's lifework in poetry: 129 witty and intimate poems that when read together take on the quality of an autobiography in verse. By a master of American letters and the author of the acclaimed *Rabbit* series, Updike's gift for close observation in these poems as elsewhere is near to supernatural. *The New York Times*: Five decades of witty, intimate, and moving poems written between 1953 and 2008 with the cumulative force of an unfolding verse diary. Though John Updike is widely known as one of America's greatest writers of prose, both his first book and his last were poetry collections, and in the fifty years between he published six other volumes of verse. Now six years after his death, Christopher Carduff has selected the best from Updike's lifework in poetry: 129 witty and intimate poems that when read together in the order of their composition take on the quality of an unfolding verse diary. Among these poems are precocious undergraduate efforts including the previously unpublished *Coming into New York*, frequently anthologized midcareer classics *Seagulls*, *Seven Stanzas at Easter*, *Dog's Death*, and dozens of later works in a form that Updike made his own: the blank verse sonnet. The poems range from metaphysical epigrams and devotional poems to lyrical odes to rot, growth, and healing; from meditations on Roman portrait busts and the fleshy canvases of Lucian Freud to observations on sash cords, postage stamps, and hand tools; from several brief episodes in family history to a pair of long autobiographical poems, the antic and eclectic *Midpoint* (written at age thirty-five) and the elegiac masterpiece *Endpoint* (completed just before his death at seventy-six). The variety of the work is astonishing; the craftsmanship, always of the highest caliber. Art, science, popular culture, foreign travel, erotic love, the beauty of the man-made and the God-given worlds: these recurring topics provided Updike ever-surprising occasions for wonder and matchless verbal invention. His *Selected Poems* is, as Brad Leithauser writes in his introduction, a celebration of American life in the second half of the twentieth century. No other writer of his time captured so much of this passing pageant. And that he did so with brio and delight and nimbleness is another reason to celebrate our noble celebrant.

Discussion starters, multidisciplinary activities, and topics for further research follow each reading. Suggestions Perry describes: subject-specific fiction and nonfiction materials that help students make the transition from fiction to expository text. There are also additional print and nonprint sources. Grades K-5.

Fast Break to Line Break Todd Davis, 2012-02-01 If baseball is the sport of nostalgic prose, basketball's movement, myths, and culture are truly at home in verse. In this extraordinary collection of essays, poets meditate on what basketball means to them, how it has changed their perspective on

the craft of poetry how it informs their sense of language the body and human connectedness how their love of the sport made a difference in the creation of their poems and in the lives they live beyond the margins Walt Whitman saw the origins of poetry as communal oral myth making The same could be said of basketball which is the beating heart of so many neighborhoods and communities in this country and around the world On the court and on the page this poetry in motion can be a force of change and inspiration leaving devoted fans wonderstruck

Life in the Second Circle: Poems Michael Cantor, 2012-03-22. *Life in the Second Circle* is the first collection from Michael Cantor, finalist in the 2011 Able Muse Book Award. Cantor's poetry globe-trots in time and place. It teems with such culturally diverse characters and scenes as Genghis Khan and Muhammad Ali, a pithy *mise en scène* of a Venice travelogue, Brighton Beach in Florida and its natives or tourists, and what can happen in Japan on tatami mats or behind shoji screens, whether you're a geisha or samurai or gaijin. His themes span the mystical to the hard-edged and badass, fluently deployed in formal poems in received or nonce forms and free verse. From the narrative to the imagistic and even the surreal, Cantor's verse-craft is eclectic, brimming with wit and wisdom and realized with the craft of a master storyteller. He has created a collection of unique pleasures not to be missed.

PRAISE FOR LIFE IN

THE SECOND CIRCLE Dante's second circle of hell was reserved for sins of lust but Cantor's narrator does not judge his infernal cast of characters rather he causes us to identify with their essential human neediness What's more he does so through a cinematic gift for storytelling and a mastery of poetic form Julie Kane Michael Cantor uses words to paint and sculpt the world He writes the world too which I don't say as an afterthought since verbal wit is Cantor's forte Life in the Second Circle is a sensory kaleidoscope where the poems are more like movies Deborah Warren from the Foreword To be called a poet's poet passes for a compliment among poets Michael Cantor is another rarer kind of poet let's say a novelist's poet This poet knows things that writers of fiction know about writing and that other poets ignore at their peril This extraordinary collection is testament to his unaffected generosity and genuine interest in other people qualities that make him good company in person and in print Alfred Nicol This is not your mother's book of poems Wendy Videlock Like Muhammad Ali one of the Box Men he celebrates in a virtuosic crown of sonnets Cantor is a master of floating like a butterfly in a small roped off space In his hands the most formidably difficult forms villanelles triolets Petrarchan sonnets sestinas ballades and equally rigorous stanzas of his own invention become spurs to imaginative freedom Like the vividly drawn characters who populate Life in the Second Circle we are constantly reminded that one never knows where life will go or how or when or where But it's a pleasure to be along for the ride Catherine Tufariello
