- That all available treatment options less restrictive than residential treatment have been considered and a less restrictive alternative that would offer comparable benefits to the child/adolescent is unavailable.

A copy of the written findings of the evaluation and suitability assessment must be provided to Magellan Medicaid Administration within five (5) working days of the date the child was seen. First Health will then forward the assessment to the Single Point of Access (SPOA) within three (3) working days of receipt. Prior to sending the completed report to the SPOA First Health staff must review for corrections, additions and compliance with Statutory and AHCA standards. The SPOA is then responsible for disseminating it as needed.
