Provocations Søren Kierkegaard, 1999 *Provocations* contains a little of everything from Kierkegaard's prodigious output his famously cantankerous yet wryly humorous attacks on what he calls the mediocre shell of conventional Christianity his brilliantly pithy parables his wise and witty sayings Most significantly it brings to a new generation a man whose writings pare away the fluff of modern spirituality to reveal the basics of the Christ centered life decisiveness obedience and recognition of the truth

Provocations Søren Kierkegaard, 2003 *Kierkegaard Bibliography* Peter Šajda, Jon Bartley Stewart, 2016 **Behold, My Mother and My Brethren!** Bryan M. Christman, 2022-10-18 In this Kierkegaardian reading of Mark's Gospel two of the most creative and passionate witnesses of Christ's gospel are brought together to mutually inform its superlative wonder Both writers winsomely revealed the nature of human existence in sin and the new life Jesus lived and made possible for all as the paradoxical God man They highlighted the single individual against the frenzied crowd in untruth driven by despair whether conscious or unconscious and vulnerable to enticing publicity and deceptive propaganda The entrenched societal systems unjustly determined for time and eternity who God favored or disfavored In dramatic contrast Mark and Kierkegaard both elucidated God's good news calling forth the highest and happy passion of faith capable of creating a new family unconstrained by the status quo of the established order's old wineskin In short through the gospel they powerfully challenged the system whether modern Christendom or its first century equivalent and did so by merely following Jesus out over 70 000 fathoms weathering demonic storms and overcoming dehumanizing societal bureaucracies set against them and humanity at large This Kierkegaardian reading of Mark reveals two kindred spirits after Christ's spirit demonstrating the redemptive love of God for all humanity centered in Christ

Everyday Sabbath Paul D. Patton, Robert H. Woods, 2021-08-04 The authors writing as scholars of communication and media demonstrate how God s great gifts of media and technology can rob us of everyday Sabbath and impede spiritual growth if not faithfully stewarded through a process described as mindful media attachment Mindful media attachment helps to promote the holy habits of sacred intentionality sacred interiority and sacred identity These three sacreds which arise from a proper understanding of the grammar and language of media and technology ultimately allow us to avoid treating media and technology as ends in and of themselves and to avoid divided affections that drain energy purpose and kingdom service
