Prudence A Novel:

Prudence David Treuer, 2016-02-09 A haunting and unforgettable novel about love loss race and desire in World War II era America On a sweltering day in August 1942 Frankie Washburn returns to his family's rustic Minnesota resort for one last visit before he joins the war as a bombardier headed for the darkened skies over Europe Awaiting him are his hovering mother his distant father the Indian caretaker who's been more of a father to him than his own and Billy the childhood friend who over the years has become something much more intimate But before the homecoming can be celebrated the search for a German soldier escaped from the POW camp across the river explodes in a shocking act of violence with consequences that will reverberate years into the future for all of them and that will shape how each of them makes sense of their lives Powerful and wholly original *Prudence* is a story of desire loss and the search for connection in a riven world of race and class in a supposedly more innocent era Most profoundly it's about the secrets we choose to keep the ones we can't help telling and whom and how we're supposed to love

Prudence Michele Kimbrough, 2014-12-19 *Prudence* Payne seems to have it all together if you're viewing from the outside looking in However once you're inside it's a completely different story She's a woman who's been pushed and pulled in so many directions she's lost who she is And to add to the chaos her best friend loses her fight to cancer Just when she thinks she can't take anymore a long hidden family secret is revealed and her life is turned upside down But that's not all for *Prudence* She's in love forbidden love at least that's how she sees it Boxed in on all sides she doesn't seem to have any fight left in her When her boyfriend of eleven years finally proposes she thinks things are about to turn around for her Richard Mayweather is a widower who lost his wife to cancer almost a year ago He's now a single father raising two young daughters with the help of his in-laws and lifelong friend *Prudence* When a blizzard shuts him in with his daughters and *Prudence* all of the feelings he's been suppressing for *Prudence* resurfaces See Richard's been holding a secret for a long time Ever since he was twelve years old he's been holding a torch for *Prudence* Unfortunately there are too many obstacles between him and the love of his life First his in-laws It has only been a year since their daughter died and they aren't about to let some woman particularly *Prudence* take her place Then there is the eleven year relationship that *Prudence* is in Richard believes in second chances and he feels this is the time to seek his with *Prudence* Despite the obstacles is Richard able to win *Prudence*'s heart Or will *Prudence* choose to keep things just the way they are Safe
