Ps3 Viking Game Guide:

The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present-day releases on the PlayStation 3, Xbox 360, Wii, and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels, and of course the author's views and insights into the game. In addition to the main entries and reviews, a full color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

A Guide to Movie Based Video Games, 2001 Onwards Christopher Carton, 2024-08-30 Play Along with the Film When gaming moved from the 16-bit era and into the exciting realm of 3D gameplay, Hollywood properties continued their journey into the interactive medium. Popular home and handheld consoles played host to ambitious titles that sought to bridge the gap between movies and video games, providing fans with scenarios that both replicated and went beyond their favorite stories. Gathered in this book are some of the biggest video games that originated from movies, some being direct adaptations and others that expanded existing universes. With 20 chapters covering over 450 games, including every Lego movie video game and franchises such as Star Wars, Aliens, Disney Pixar, and The Lord of the Rings, *A Guide to Movie Based Video Games 2001-2023* gives readers a chance to revisit and discover the ups and downs of licensed titles across two action-packed decades. Load up the reels, press start, and immerse yourself in timeless adventures.
