Charles Henry Hartshorne

Psyche Illustrated With Large Print:

Psyche Louis Couperus, 2015-01-16 Psyche is a remarkable sustained fairy tale Couperus creates a convincing fantasy world and despite all the abstractions made real from kingdoms of the past and future to the spiders and the fantastic creature and the beautiful symbolism it is a wonderful magical realm Psyche in particular is an appealing creation as is the Chimera and the two other princesses are also very solid characters Some others Eros in particular is an excellent representation The rich writing works well for this story it is undoubtedly literary but with this material that seems only appropriate Psyche is a charming and often even exciting tale Readers should be aware of what they're getting themselves into but if they're willing to go on an amazing journey it can be quite rewarding Recommended [Catalogue of the Heraldic and Miscellaneous Library, Illustrated Manuscripts, Portraits, Prints Stained Glass with Paintings, &c. &c. &c. of the Late Philip Absalom ... which Will be Sold by Auction by Messrs. Evans, No. 93, Pall Mall, on Wednesday, June 23, and Two Following Days ,1841](#) [Children's Books on Ancient Greek and Roman Mythology](#) Antoine Brazouski, Mary J Klatt, 1993-11-23 The classical heritage continues to impact modern culture in many ways This bibliography lists and describes those books on Greek and Roman mythology from the mid 19th century to the present which are useful for introducing children to the classical world The volume begins with a brief history of children's books on classical mythology in the United States A chapter then discusses the various techniques through which classical myths were adapted for children The annotated bibliography follows with each entry including a critical annotation on how closely the work adheres to the original myth Each entry also includes an indication of the grade level of each book Indexes allow the user to locate sources according to title illustrator time period myth and subject **The Book Rarities in the University of Cambridge. Illustrated by Original Letters, and Notes, Biographical, Literary, and Antiquarian. By the Rev. C. H. Hartshorne, M.A** Charles Henry Hartshorne, 1829 [The Bookman's Journal and Print Collector](#) Wilfred Partington, 1921 [Accessing the Classics](#) La Vergne Rosow, 2005-12-30 Help readers improve reading skills while stimulating their appreciation and increasing their understanding of great literature Using a scaffolding approach this guide leads readers from simple and engaging reads to more challenging texts and simultaneously cultivates their interest and skills An invaluable resource for middle and high school ABE and ESL educators as well as for readers advisors All readers even those still learning to speak English can enjoy the delights and benefits of great literature with the help of this motivational and practical book guide Rosow takes you on a journey through the history of Western literature beginning with ancient myths and moving to medieval tales and classics of the Renaissance Romantic Movement and Modernism Along the way she shows you how to give readers easy access to some of the best literature of all time Scores of collections focus on such ancient and enduring stories as Gilgamesh Beowulf the tales of Chaucer historical masterpieces of William Shakespeare Jane Austen Edgar Allan Poe Charles Dickens and stellar names of more recent times such as Virginia Woolf John Steinbeck Ernest Hemingway and J R R Tolkien

Each carefully selected collection lists an assortment of titles ranging in reading level and arranged progressively from simple renditions such as picture book retellings through more advanced selections and readings where audio versions and simpler formatting support the reader and on to the most challenging reads. Author profiles and narrative as well as detailed descriptions of each title provide further insights into the story lines and features of the books while building a scaffold of reading experience and knowledge to help readers better understand the texts. For example the Mark Twain collection begins with a brief biographical sketch of the author followed by descriptions of two illustrated books about the author and two readers theatre skits based on his work. A collection of Twain's short stories is recommended next and then several illustrated versions of his novels and an illustrated edition of Twain's memoir *Life on the Mississippi* which is supported by an audiotape version. Each recommended title is rated as start here next read support here or challenging read and related reads and audio and video versions are listed when appropriate. The author also notes author and student favorites titles with exceptional illustrations and other features of interest. Focus is on authors and titles of the Western canon that are generally available in library collections. Because some of the titles cited are older editions this is a valuable collection development tool in libraries as well as an essential resource for readers advisors Adult Basic Education and English as Second Language educators and young adult educators and librarians.
