Psycho Boys T:

Boy Nigel Cooper, 2015-08-27 My parents had to try for eighteen months to conceive me but my father was adamant he wanted one last child After eighteen months of trying my mother eventually conceived and nine months later I was born My birth was a difficult one It was like I was never meant to be in this world Boy is Nigel Cooper's memoir from the age of five to sixteen It tells the shocking brutal disturbing emotional story of his childhood spent in and out of various care homes and institutions during the 1970s and 1980s When Nigel was just seven years old after the untimely death of his sister and father his mother asked social services to take him away and then his nightmare began For the next nine years of his life Nigel was repeatedly rejected by his mother and spent his childhood among bullies abusers psychopaths and criminals He spent time in a children's psychiatric hospital where they carried out unimaginable tests pumped him full of drugs and physically abused him care homes where he would come face to face with rough estate kids who would beat him up force him to steal for them and threaten his life and barbaric assessment centres for disturbed and delinquent children where the staff were at times sicker than the children The system tried to break Nigel and it was a miracle that he survived The British care system robbed him of his childhood His story is truly extraordinary and will do a lot more than shed light on what it was like growing up during the Jimmy Savile years Boy is powerfully written edgy gripping and beautifully crafted *The Yoop* Christian Specht, 2002-11-14 It's the place where David Brendt and his buddies Hoover Buzz and Stan Slouski go to get away from it all For twenty years it has served them well as a temporary refuge from the stress of modern life Not that Dave's been there lately With the young girlfriend and his partnership in a night club in Milwaukee he's been just a little too busy to head north whenever the spirit moved him But when the girlfriend bails and the business goes bust Dave decides that it is high time to head for God's country The Lodge is located on Spirit Lake in Michigan's Upper Peninsula The Yoop Dave wastes no time throwing some fishing gear and liquor in the trunk of his car and putting Brew town in his rearview mirror Along the way he meets Lisa the ex biker chick Fuzzy the drunk and Playmate Ashley all with their own reasons for hiding out from the civilized world He will also cross paths with Crash Maddox an outlaw biker with a gang of ruthless cutthroats backing him up and a score to settle with Lisa When an unexpected forest fire bears down on Spirit Lake everyone there finds themselves in a fight for their lives Some will live and some will die but in the end even those who survive will never be the same Losing Austin Michael J. Bowler, 2025-06-10 Fifteen year old Austin Bowman vanishes off the face of the earth Was he kidnapped abducted by aliens or murdered by his hotheaded brother Colton Despite the rumors and his troubled kid reputation only Colton knows he didn't kill Austin He also knows what drove his brother from the house that rainy day Or does he Riddled with guilt Colton spends every waking moment trying to find Austin Searching online for similar missing kids he meets Keilani a girl from Hawaii whose younger brother vanished the same day as Austin Internet explorations reveal other kids who also disappeared always on rainy days Since none of these kids have been heard from since alien abduction seems the
