A. Michael Dougherty

Psychological Consultation And Collaboration In School And Community Settings:

Psychological Consultation and Collaboration in School and Community Settings A. Michael Dougherty, 2014
Dougherty's *Psychological Consultation And Collaboration In School And Community Settings* International Edition clearly demonstrates how human service professionals help others work more effectively to fulfill their work related or care taking responsibilities to individuals groups organizations and communities The book is structured to aid students in developing their own personal consultation model as they work through the book The author provides a culturally sensitive generic application model that students can use to survey various approaches to consultation examine the organizational context of consultation and review the numerous ethical and professional challenges that consultants face as they deliver their services New case studies bring concepts to life and help students learn how to deliver services most effectively Updated throughout this edition includes new content aligned with CACREP and other standards an increased focus on school based consultation new material on cultural diversity advocacy social justice prevention systems theory and ecological variables as they affect consultation and collaboration in counseling and psychology and much more

Psychological Consultation and Collaboration in School and Community Settings A. Michael Dougherty, 2005 In this practical text readers watch experienced and effective psychologists counselors and other human service professionals practice consultation and collaboration By reading and responding to nine cases they will be able to bridge the gap between theory and practice between knowing what consultation is and knowing how to consult Readers will also gain practice in making their own decisions about how they would handle these same cases and can apply what they have learned to a series of eight practice cases By the time they finish the book readers will have begun to forge their own personalized approach to consultation

Casebook of Psychological Consultation and Collaboration in School and Community Settings A. Michael Dougherty, 2013-03-01 In this practical casebook workbook readers watch experienced and effective psychologists counselors and other human service professionals practice consultation and collaboration By reading and responding to eight cases they will be able to bridge the gap between theory and practice and between knowing what consultation is and knowing how to consult Readers also get practice in making their own decisions by reflecting on how they would handle these same cases and can apply what they have learned to a series of ten practice cases By the time they finish the book readers will have begun to forge their own personalized approach to consultation This casebook is an ideal accompaniment to Dougherty's core consultation text *PSYCHOLOGICAL CONSULTATION AND COLLABORATION IN SCHOOL AND COMMUNITY SETTINGS* 6th Edition Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

Consultation A. Michael Dougherty, 1995 This practical book provides a comprehensive and balanced overview of the practice and theory of consultation Focusing on how consulting is accomplished the author presents a generic model for application surveys various approaches to consultation discusses the organizational context of

consultation and reviews the many ethical and professional issues consultants face **Psychological Consultation and Collaboration** A. Michael Dougherty, 2000 In this practical book readers can watch experienced effective human services consultants in action By reading and responding to nine cases they will be able to bridge the gap between theory and practice between knowing what consultation is and knowing how to consult By applying what they have learned to a series of eight new practice cases readers will begin to forge their own personalized approach to consultation **Psychological Consultation and Collaboration in School and Community Settings** A. Michael Dougherty, 2005 This text is written for graduate and undergraduate students in the helping professions including counseling psychology social work and human resource development Dougherty Western Carolina University surveys approaches to the practice and theory of consultation and collaboration discusses their organizational context and reviews the ethical and professional issues professionals face in delivering services Learning features include cases chapter summaries and reflection questions This fourth edition provides new material on cultural diversity and school based consultation publisher summary **School Consultation** William P. Erchul, Brian K. Martens, 2010-08-12 Since its emergence during the 1960s school consultation has become an important vehicle for delivering psychological and educational services Cooperative efforts between skilled consultants and teachers rooted in the principles of problem solving social influence and professional development enhance student learning and adjustment while encouraging consultees to be more effective and proactive in their practice The Third Edition of School Consultation Conceptual and Empirical Bases of Practice shows in expert detail how this relationship works by synthesizing mental health and behavioral models of consultation with the most effective evidence based practices e g implementation support response to intervention informing the field today The authors provide real world contexts for all participants in the equation consultants teachers students staff and the school itself and thoroughly review consultation processes and outcomes for a contemporary practice oriented approach suited to the new consultant trainee or researcher Key features of the Third Edition include An integrated mental health behavioral model for school consultation An organizational study of the school as a setting for consultation Assessment issues and strategies particularly relevant to school consultation Approaches to providing teachers with implementation support Conceptual models for selecting academic and behavioral interventions Administrative perspectives on school consultation A real transcribed case study analyzed by the authors In the tradition of its predecessors School Consultation Third Edition is a confidence building tool for practitioners in school psychology clinical child psychology educational specialties school counseling special education and school social work as well as a trusted reference for researchers in these fields **The International Handbook of Consultation in Educational Settings** Chryse Hatzichristou, Sylvia Rosenfield, 2017-03-16 The rapid changes in the composition of school age youth around the world have catalyzed a growing concern about how to address children's mental health and education Grounded in this increasingly global perspective The International Handbook of Consultation in Educational Settings is designed to provide a

multicultural transnational approach to consultation theory research training and practice in educational settings With chapters written by geographically diverse and prominent scholars across the field of school psychology this handbook captures the range of ways in which consultation services are trained implemented and researched internationally Written for practitioners researchers faculty members and graduate students in the fields of school psychology school counseling special education and educational psychology this volume is the first of its kind to provide a comprehensive look at consultation in learning environments across the world The International Handbook of Consultation in Educational Settings offers various perspectives on models implementation training and research on school consultation After an introduction to the volume by the editors contributors to Part II examine school based consultation around the world to explore how consultation services are implemented in different countries Part III addresses cross cultural issues in consultation particularly at a systems level Part IV presents themes related to processes and issues in the implementation of consultation by focusing on approaches in various countries The chapters in Part V focus on consultation training offering insights into the development of students and professionals into effective consultants in cross cultural and systemic contexts Part VI describes how practitioners can contribute to the body of research on consultation through careful planning and implementation of their work Finally the editors summarize key concepts and findings in a concluding chapter

Encyclopedia of Counseling Frederick T. Leong, 2008-04-25 Selected as an Outstanding Academic Title by Choice Magazine January 2010 From the depressed and lonely college student to the business executive at midlife experiencing decreasing levels of career satisfaction to the couple where one partner has been unfaithful in the relationship counselling is the intervention that numerous individuals turn to each year as the challenges and stress of daily living exceed their normal coping abilities Counselling is practised by counsellors social workers psychiatric nurses psychologists and psychiatrists Counseling is to be differentiated from psychotherapy in that the latter deals more with mental illnesses and psychological disorders while the former is more concerned with normative stresses adjustment difficulties and life transitions e g adjusting to unemployment or going through a divorce The Encyclopedia of Counseling will be the definitive resource for members of the public who are interested in learning about the science and practice of counselling It will also be a useful resource for undergraduate and graduate students as well as professionals from other specialties Covering all of the major theories approaches and contemporary issues in counselling the set includes over 600 entries The Encyclopedia will consist of four volumes a changes and challenges facing counseling b personal counseling for mental health problems c career counseling and d cross cultural counseling Each volume is organized alphabetically and will contain a comprehensive index and cross referencing system to entries in other volumes Volume One Changes and Challenges for Counseling in the 21st Century History of Counseling Definition of Counseling Professional Associations Licensure Accreditation Managed Care Marriage Counseling Family Counseling Ethical Codes Volume Two Personal Counseling and Mental Health Problems Alcoholism Psychodynamic Theories

of Counseling Cognitive Behavioral Approaches to Counseling Depression Suicide Eating Disorders Bereavement Counseling
Volume Three Career and Vocational Counseling Career Assessment Instruments Holland's Model of Career Intervention
Strong Interest Inventory Guidance and Career Counseling in Schools Career Counseling for Midlife Transitions Career
Resources on the Web Violence in the Workplace Volume Four Cross Cultural Counseling Acculturation Cultural Identity
Counseling African Americans Counseling Hispanic Americans Counseling Refugees Counseling Sojourners and International
Students Cross Cultural Counseling Competencies **Handbook of Research in School Consultation** William P
Erchul, Susan M Sheridan, 2014-06-11 The field of school consultation which is centered principally in school psychology and
cuts across related disciplines such as special education and school counseling has never had a comprehensive volume that
examines its research perspectives and methodologies its models of practice and its future research directions That is the
mission of this Handbook It provides both producers and consumers of school consultation with an invaluable snapshot of its
current boundaries and rapidly growing content Key features of this outstanding new book include the following research
oriented whereas many books dealing with school consultation practice have appeared over the last decade none has
attempted to provide a comprehensive review of research findings and methods supporting its growing body of evidence
based practice author expertise chapter authors are well known for their contributions to the school consultation research
literature and collectively are recognized for their ability to translate scientific findings into implications for practice
commentary chapters commentary chapters written by leading scholars provide integrative critiques of the book's three
major sections This book is intended for researchers graduate students and practitioners in school psychology and related
human service disciplines including special education counselor education counseling psychology and school social work
