San Bernardino County Probation Department Study Guide:

Resources in Education ,1995-06 **Youth Violence and Delinquency** Frank P. Williams,Marilyn D.

McShane,2007-05-30 Juvenile crime and violence has always piqued the public's interest. Indeed, each generation of Americans tends to define the youth crime problem as more serious than any previous generation. Even though juvenile homicides have been decreasing since the mid 1990s, the media is still quick to provide dramatic examples of juvenile monsters who are terrorizing their communities. Shootings at school, gang banging and trafficking drugs, school bullies and charging juveniles as adults are subjects that have recently received wide media coverage. This three volume set on the nature, incidence, consequences and treatment of youth crime and violence will help readers understand the true nature of youth crime and violence from a variety of perspectives. Each volume covers a different area and experts write on topics ranging from sex offending to fire starting, from gangs to guns, from juvenile probation to charging youths as adults, from mandatory mental health treatment to police in school settings and more. What drives a teenager to steal? To kill? Why does youth crime and violence occur? Why are youths such vulnerable targets? What can be done to stop youth offenders and what can be done to help youthful victims? How does the criminal justice system respond? What do communities do to punish and protect youths? What can schools do to intervene? All these questions and more are answered in this set on this timely and important topic. Our youth are our most precious commodity and protecting vulnerable children as well as helping offenders is of paramount importance for steering them toward safe and productive lives. These volumes help readers better understand the causes and consequences of youth violence and crime and consider ways to address the problems.

Research in Education ,1974 **Federal Probation** ,2003 Good Girl's Guide to County Jail for the Bad Girl in Us All Ellen Marie Francisco,2017-10-02 This good girl did everything right for years. So why has everything gone so wrong for this self-made business woman, Realtor and mother of two? On a hot day in August, she's arrested for car jacking, assault with a deadly weapon and robbery. She's just landed in the Incarcer Nation without a passport. Like the millions of women who came before her, she wants to leave the land of chain link and barbed wire behind her. Fifty-nine days later, this good girl gone bad walks out a free woman or so she thinks. This Good Girl gone BAD wants to help you stay out of jail, know how to use your rights, understand the court process, plea down your charges to minimize the risk of re-arrest, understand how a conviction affects your future beyond bars. Filled with good advice from BAD GIRLS on the inside and criminal law attorneys who tell it like it is. Cover your assets with these legal forms and others you didn't know you needed. They're easy to fill in and are ready for the Notary Public, Power of Attorney, Caregiver's Authorization Affidavit, Temporary Custody Order, Letter to CPS, Social Worker Consent for International Travel. **Probation** ,1962 Instead of Jail University City Science Center, Washington, D.C.,1977 **Instead of Jail** National Institute of Law Enforcement and Criminal Justice,1977 *California.
