Sanctification Explorations In Theology And Practice:

Sanctification Kelly M. Kapic, 2014-10-30 Often treated like the younger sibling in theology the doctrine of sanctification has spent the last few decades waiting not so patiently behind ideas like election and justification by faith alone In this volume twelve theologians explore the meaning and significance of sanctification for contemporary evangelical theology and practice

Karl Barth's Doctrine of Sanctification Michael Bartholomaeus, 2021-09-28 This book explores Karl Barth's doctrine of sanctification as set out in The Sanctification of Man 66 of the Church Dogmatics In his analysis Michael Bartholomaeus reflects on the role Barth's various engagements with Scripture play in the flow of his theological argument as well as the significance of his interaction with other voices from the tradition He then examines select aspects of Barth's theology of sanctification in greater depth including how Barth's use of Scripture in 66 can be understood as the exegetical background to his dogmatic exposition the similarities and differences between Barth and Calvin on the question of sanctification and how seriously and biblically Barth speaks of visibility and growth in the Christian life

Driven by God Jae-Eun Park, 2018-10-01 For more than two millennia believers have struggled with the antinomy of God's absolute sovereignty over and man's ultimate responsibility in justification and sanctification Theologians have used some version of the terms active justification and definitive sanctification in an attempt to illuminate this mystery However in the past decade scholars have begun to criticize these concepts saying that they are unsupported in Scripture lead to theological confusion and are of no practical benefit to believers Through the work of theologians from the broader Dutch Reformed tradition especially Herman Bavinck Alexander Comrie Herman Witsius and Abraham Kuyper Jae Eun Park demonstrates that the terms active justification and definitive sanctification are derived from Scripture and serve to clarify not obscure the doctrines of justification and sanctification In addition the book shows that neglect misuse or misunderstanding of the terms have resulted in contemporary criticisms that are unconvincing and unfounded Writings of the aforementioned theologians define and expound four characteristics held in common between active justification and definitive sanctification i e inseparability objectivity and decisiveness Christ centeredness and God's absolute sovereignty concepts of the mentioned theologians All four characteristics of active justification and definitive sanctification emphasize the God driven nature of salvation Jae Eun Park explains how when properly defined and presented the two terms are important theologically bringing clarity to the issue of the perfect balance between God's sovereignty and human responsibility in salvation He also shows how active justification and definitive sanctification offers practical assurance of their perseverance unto glory to true believers and provides pastors with an invaluable tool for exhorting parishioners who may have lapsed into either triumphalism or defeatism

Revisioning John Chrysostom Chris de Wet, Wendy Mayer, 2019-01-04 In Revisioning John Chrysostom Chris de Wet and Wendy Mayer harness and promote a new wave of scholarship on the life and works of this famous late antique c 350 407 CE preacher New theories from the cognitive and neurosciences cultural and sleep studies

and history of the emotions among others meld with reconsideration of lapsed approaches his debt to Graeco Roman paideia philosophy and now medicine resulting in sometimes surprising and challenging conclusions Together the chapters produce a fresh vision of John Chrysostom that moves beyond the often negative views of the 20th century and open up substantially new vistas for exploration

T&T Clark Handbook of Neo-Calvinism Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields

Liturgy and Ethics , 2017-11-06 The connection between Christian ethics and liturgy has been on the research agenda for some decades now Liturgy and Ethics addresses this issue departing from the particularity of the Reformed tradition and its potential for contributing to the discussion The volume offers in depth studies of how to understand God s acting in worship the centrality of justice and the formative meaning of the liturgy and relates these reflections to various moral issues and contemporary liturgical practices In combining a specific theological approach with a broad disciplinary treatment of the topics this volume aims to push forward the scholarly discussion on liturgy and ethics in significant ways

Union with Christ Rankin Wilbourne, 2016-07-01 Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper s Desiring God ministry To experience why the gospel is good news and answer life s most foundational questions about identity destiny and purpose we must understand what it means to be united to Christ If you are a Christian the Bible says that Christ has united his life to yours that you are now in Christ and Christ is in you This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation Yet few Christians today experience or enjoy this reality Union with Christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart Who Am I Why Am I Here Where Am I Headed How Will I Get There Nothing is more practical for living the Christian life than union with Christ The recovery of this reality provides the anchor and engine for your life with God for your destiny is not only to see Christ but to actually become like him

Salvation by Faith Hyonam Kim, 2019-10-07 The doctrines of covenant faith and the order of salvation are crucial components of early modern Reformed soteriology In seventeenth century England these three major doctrines of Reformed theology which had been taken over undeveloped from the Reformers took a mature shape but aroused controversies among diverse Protestant groups Modern historical scholarship on Reformed orthodoxy has produced little significant research that deals with these doctrines synthetically This examination explores the broader role of faith in

relation to these two significant doctrines for salvation in the early modern Reformed theology with specific reference to the thought of Thomas Goodwin To this end Hyo Nam Kim examines Goodwin's life to review his religious experience and to understand his socio theological context Goodwin's soteriology was sharpened by his battles on two fronts The first is the threat of Arminian Neonomian and Socinian soteriologies that tended to place meritorious value on faith and on human acts The second is the Antinomian errors that undervalued faith and human responsibility Goodwin regarded faith as a key concept for his soteriology Faith plays a central role in the covenant theology not only because a lack of faith was the immediate cause of breaking the covenant of works but because saving faith was ordained in the covenant of redemption and actually functions in the covenant of grace as the instrument and a condition for the recovery of the relationship of mankind with God Examination of Goodwin's ordo salutis provides specific insight into the place and function of faith in the covenant of grace since each element of an ordo salutis refers to the blessings prepared for the elect to be finally saved Together with the role of faith in Goodwin's covenant theology therefore the reconstruction of Goodwin's ordo salutis and the close examination of the role of faith in each blessing confirm that although faith may be said to be both an instrument and a condition for salvation faith is the perfect instrument both for making salvation totally God's gracious work and for showing that the elect are not passive objects in the covenant

Embodied Hope Kelly M. Kapic, 2017-06-06 Kelly M Kapic meditates on how our suffering particularly our physical suffering relates to the Christian faith This is not a theodicy or a book of easy answers It is an invitation to reshape our understanding of suffering into the image of Jesus What we discover is that in Christ and through his church God displays his deep love and provision for his people

Enjoying Jesus Tim Chester, 2024-09-01 What does a close joyful relationship with Jesus look like Many of us often think how wonderful it must have been to experience Jesus physical presence as he walked on earth without realizing that we can experience the joy of his presence and companionship here and now In Enjoying Jesus Tim Chester looks at how Jesus acted and interacted with people in Luke's Gospel But he doesn't leave it there He looks at how Jesus relates to us in the same way now by his Spirit Readers will be helped to understand how they can enjoy a close relationship with Jesus in their everyday lives This book is ideal for anyone wanting to deepen their relationship with Jesus especially those who feel disconnected from God or those going through the motions of the Christian life without joy It will also help new Christians who want to understand how Jesus is with them by his Spirit Each chapter includes reflection questions and practical suggestions on how to experience a close joyful relationship with Jesus The accompanying discussion guide makes this a useful resource for small groups This is the sequel to Tim Chester's popular book Enjoying God

Stump, 2018-11-22 The doctrine of the atonement is the distinctive doctrine of Christianity Over the course of many centuries of reflection highly diverse interpretations of the doctrine have been proposed In the context of this history of interpretation Eleonore Stump considers the doctrine afresh with philosophical care Whatever exactly the atonement is it is supposed to include a solution to the problems of the human condition especially its guilt and shame Stump canvasses the major interpretations of the doctrine that attempt to explain this solution and argues that all of them have serious shortcomings In their place she argues for an interpretation that is both novel and yet traditional and that has significant advantages over other interpretations including Anselm's well known account of the doctrine In the process she also discusses love union guilt shame forgiveness retribution punishment shared attention mind reading empathy and various other issues in moral psychology and ethics *What Is Jesus Doing?* Edwin Chr. van Driel, 2020-01-21 How do we understand Jesus' present activity in a challenging post-Christian context Leading thinkers in pastoral theology homiletics liturgical theology and missiology consider how to recognize the divine presence and join in what God is already doing in all areas of church ministry With deep theological reflection personal stories and practical suggestions this is a compelling interdisciplinary conversation

Already Sanctified Don J. Payne, 2020-06-16 How does the doctrine of sanctification shape the Christian life Offering a fully developed treatment of accomplished sanctification Don Payne explains that the primary biblical focus in sanctification is not progressive growth but that which has already occurred for Christians to make growth possible necessary and grace driven As Payne explores the significance Scripture attributes to the accomplished aspect of sanctification he helps us understand that we are already sanctified Sanctification is not synonymous with transformation but undergirds strategies and resources related to Christian discipleship and formation **Reformed Theology** Martha L. Moore-Keish, 2020-06-22

This research guide introduces scholars to the field of Reformed theology focusing on works of the twentieth and twenty-first centuries in the English language After a brief introductory section on the debates about what counts as Reformed theology Martha Moore Keish explores twenty-one major theological themes with attention to classical as well as current works The author demonstrates that this stream of Protestantism is both internally diverse and ecumenically interwoven with other Christian families not just a single clearly defined group set apart from others In addition this guide shows that contemporary Reformed theology has been rethinking the doctrines of God humanity and their relationship in significant ways that challenge old stereotypes and offer fresh wisdom for our world today *Re-Envisioning Transformation* David C.

Scott,2018-09-14 In today's church use of the term transformation has become commonplace. Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved. These often conflicting views suggest an ecclesial landscape characterized by pluralism, division, fragmentation, confusion, relativism, individualism, pragmatism, and subjectivism. Despite the current interest in transformational theology, the absence of a common, coherent and integrated vision, and the lack of transformation is often accepted and affirmed. *Re-Envisioning Transformation* looks at the possibility of moving toward a vision of transformational theology that is cohesive, unified, broad, effectual, and distinctly Christian. In this book, the contributions of two radically different theologians of the Christian life are examined. This provides the basis from which to develop a comprehensive and integrated framework of transformational theology, pointing God's people toward the need to express and live out a distinctly Christian vision. *The Dialectics of Discipleship* Chris Swann,2023-08-24

Interrogating Barth's discipleship-shaped vision of sanctification, this book investigates both Lutheran and Calvinian source material to develop an account that differs markedly from other Lutheran and Calvinist perspectives. Highlighting the robustly theological and Christ-centred character of Barth's account, Chris Swann demonstrates that far from merely valorising human activity, Barth advances an understanding of human moral agency, action, and suffering that is real but relative to the agency of God in Christ, to which it corresponds analogously. With a focus on the role the image of discipleship plays in giving conceptual structure and shape to Barth's distinctive account of the correspondence between divine agency and sanctified human agency, this book evaluates the ramifications of his discipleship-shaped vision of sanctification. In doing this, it gives special attention to Barth's own personal mixed record with regard to Christian discipleship. Ultimately, Swann retrieves a number of important resources for contemporary theological ethics from Barth's theology of discipleship. **An**

Introduction to Theological Anthropology Joshua R. Farris,2020-04-21 In this thorough introduction to theological anthropology, Joshua Farris offers an evangelical perspective on the topic. Farris walks the reader through some of the most important issues in traditional approaches to anthropology, such as sexuality, posthumanism, and the image of God. He addresses fundamental questions like "Who am I?" and "Why do I exist?" He also considers the creaturely and divine nature of humans, the body-soul relationship, and the beatific vision. **Uncommon Unity** Richard Lints,2022-10-19

A crucial book by Timothy Keller. Our world is facing increasing hostilities. Political and cultural differences rage even among people who otherwise show goodwill. And the church is no stranger to extreme polarization, theological backbiting, and political squabbling. Jesus's prayer in John 17 that the church be one as he and the Father are one seems increasingly unattainable. But what if Scripture actually provides the key for thinking about unity in diversity? In *Uncommon Unity: Wisdom for the Church in an Age of Division*, Richard Lints explores the nature of diversity and how Christians can think more clearly about unity in an increasingly polarized age. Drawing on theological, historical, and sociological resources, Lints exposes problems with the inclusion narrative of democracy and shows a better way forward for fostering unity in the midst of extreme

diversity If we are to think rightly about diversity wisdom is required for the church in our late modern world Through wisdom Christians can display real unity in diversity and bear witness of the God who made them for himself as diverse members of his one body Readers of Uncommon Unity will be heartened that Scripture and Christian tradition provide an antidote to division

Humanity John S. Hammett, Katie J. McCoy, 2023-09-01 Humanity by John Hammett and Katie McCoy is an urgent theological study of the doctrine of humanity The authors shed light on the philosophical cultural and spiritual influences that constantly challenge the dignity of human existence
