Many people have said that the two traditions are like two different cooking styles. One is like a traditional Italian dish, and the other is like a modern Italian dish. Both are delicious, but they have different flavors and textures. The traditional Italian dish is like a classic recipe, and the modern Italian dish is like a new recipe. Both are made with the same ingredients, but they are prepared differently. The traditional Italian dish is like a classic recipe, and the modern Italian dish is like a new recipe. Both are made with the same ingredients, but they are prepared differently.
