CONGRATULATIONS

Your Sanyo **SUPER-COMPANER** cordless telephone is a fine-quality home communications product. It is carefully designed and produced by a world leader of consumer and industrial electronic equipment. With proper maintenance and care, it will provide you with years of enjoyment and convenience.

The CLT-186X has many unique advanced features including:

Hands-Free on Handset

Hands-Free speakerphone is now included on the cordless handset. You can have a telephone conversation without holding the handset.

SUPER-COMPANER Noise Reduction

This Sanyo's original noise reduction technology now filters out **noise** background noise.

Power Back Up System

This unique feature allows you to place or receive a call on the cordless telephone during a power interruption of up to 48 hours. Four AA alkaline batteries are required (not supplied with the telephone).

15-channel auto scan

Your new telephone uses one of 15 channels that are now available for cordless telephones. It automatically selects a clear channel every time you receive or place a call on the handset. (Should you wish to pattern channels during a call, the handset provides a **CHANNEL** button.)

Extended operating range

Illuminated handset keypad

48-day standby

Notes:

This cordless telephone uses radio communication between the handset and the base station and may not ensure privacy of communication. Other devices, including other cordless telephones, may interfere with the operation of this cordless telephone or cause noise during operation. Cordless telephones must not cause interference to any licensed radio service.
