Competency in Home Care Terasa Astarita,Gayle Materna,Cynthia Blevins,1998 Competency in Home Care doesn t just describe the standards of practice it gives you the resources to meet them it provides practical authoritative guidance for creating effective staff development plans designing orientation programs that get caregivers up to speed immediately establishing performance criteria for every position in the home care continuum and ensuring ongoing competency Plus you get powerful insights into the growth of modern home care The role of competency programs in staff recruitment and retention and how to get it done in any organization regardless of background makeup or affiliation **Foster Children, Rights and the Law** Matthew Trail,2025-03-31 This book discusses child wishes rights and participation in the foster care system Making decisions in a foster child s best interest is a widely used but also widely criticized international legal doctrine This work discusses the two major legal frameworks best interest and normalcy for which foster care decisions are made and how those frameworks might shape how child welfare professionals view and interpret children s rights and participation Normalcy the idea that decisions should promote a normal life is a separate legal doctrine which can be in conflict with best interest determinations However the concept of normalcy is also theoretically built into best interest decisions and therefore also plays a role in most child welfare systems Mixing both empirical legal and child welfare research the book demonstrates the ways in which risk aversion and fear drive best interest decision making to the detriment of both practitioners and the

children they aim to serve It argues that a children s rights framework starting with normalcy is a better tool for promoting child participation and centering the child within the dependency process The book will be of interest to academics researchers and policymakers working in the areas of children s rights law child welfare and international human rights law
