Proverbs For Devotion:

Proverbs for Devotion Jeanie Maxwell, 2014-10-28 Isn't it tough living in today's world? Do you need wisdom for your day to day decisions? God's wisdom will help you not only survive this brutal world but it will help you with your daily decision making process. Wisdom is described throughout the Book of Proverbs. It has much to teach us for today's world. In *Proverbs for Devotion* author Jeanie Maxwell uses at least one Scripture verse from the Book of Proverbs as a daily devotion. These devotions from Proverbs will bless you daily and throughout the year with timeless wisdom that will help you bring honor to the Lord.

Daily Devotions from the Book of Proverbs James Thomas Lee, Jr., 2014-10-08 It has been correctly stated that a person should study the book of Proverbs if he or she wants to be wise. Accordingly, whether by design or not, the book of Proverbs has been organized into thirty-one different chapters. That means that a person can read a chapter in the book each day based upon the numerical date of the month. For example, on the first day of the month, one would read the first chapter in the book of Proverbs. On the second day of the month, he or she would read the second chapter. On the third day of the month, he or she would read the third chapter, and so forth for the whole month. If a person were to do that for an entire year, then he or she would read the whole book of Proverbs twelve times every year, minus a few chapters for those months with fewer than thirty-one days. However, one should note that in trying to write different daily devotions on the book of Proverbs, that it is not practical to write twelve separate daily devotions for each entire chapter in the book of Proverbs. First, it is not practical to do so because an entire chapter may not have twelve separate truths to share for each of the twelve months. Second, even if it were possible to write twelve separate devotions for each entire chapter, those devotions would be too lengthy and too repetitive to be read in a single setting. For those reasons, I have divided each of the thirty-one chapters into twelve groupings of two or three verses each. By doing that, a single devotion covers only a few verses and it can be restricted to a single page. In addition, since no devotion in this book is writing about the same two or three verses, no devotion is a duplicate of another. The organization of the devotions in this text has followed the same pattern as how one might read the book of Proverbs for themselves. In other words, on the first day of each month, this text will have a short devotion on two or three verses from only the first chapter of the book of Proverbs. On the second day of each month, this text will have a short devotion on two or three verses from only the second chapter of the book of Proverbs. That format has been used throughout this text. By so doing, a person might read the eighth chapter in the book of Proverbs on the eighth day of a particular month. Then, if he or she were to read this devotion book for that same date, it would be a short devotion on two or three verses from the eighth chapter of the book of Proverbs. Writing this text according to that structure seemed better than just going through each chapter in verse by verse order. The reason is because it does not seem right that a person would read the second chapter in the book of Proverbs on January second and then read a short devotion in this text that is on a few verses in the first chapter of the book of Proverbs. One final introductory note must be made with respect to Solomon's language.

Because he had lived about nine hundred years before the Incarnation of Jesus he did not use the same terminology as the later apostles in the New Testament. Instead of talking about a person being saved he had used words such as wise, righteous, knowledge and understanding. In every case though, as will be frequently shown in this text, those words always meant the same as being saved. It would have been totally ridiculous for him to ever say that a wise, righteous, knowledgeable or understanding person would die lost. Therefore, it will also be important to show in this text that those labels had only applied to individuals after salvation rather than before.

No books in Scripture hold more instruction for how to live according to divine wisdom than do Psalms and Proverbs, and these daily devotions mine their riches with choice, seasoned counsel. Blessed will be the woman who pursues this path to wisdom with passion and commitment.

Devotions from Proverbs Brian J. Rechten, 2017-09-26 Solomon's timeless proverbs can at times seem confusing. After all, when the King said, "The beginning of wisdom is get wisdom," many of us are left scratching our heads, saying, "Okay, now what?" Well, to find solid answers, you couldn't do better than the book you're holding. My friend and colleague Brian has captured the heart and soul of Solomon's proverbs, offering good old-fashioned biblical shoe leather for believers walking through this age of post-modern landmines. Devotions from Proverbs is more than a book; it's a lifetime resource. You'll come back to it again and again. Oh yeah, Ron Walters, Senior VP of Ministry Relations, Salem Media Group. When I was asked to consider endorsing Brian's new book, I found myself quickly onboard for the task, and here are a few reasons why: not only is he a longtime friend, but he is a man of integrity and wisdom. But where did Brian get the insights and the disciplines that have guided his life? He has gleaned well from the book of Proverbs, and in so doing, he has been counseled by the heart and mind of King Solomon himself. In this excellent devotion, Brian writes to us not from the lofty peaks of theology or some remote spiritual retreat; he writes to you and me from the street, the workplace, and right where you and I live. I cannot think of a better way for a man or woman to begin each day than to have a Bible in one hand and this tender devotion in the other.
