Short answer

Question: How do the "five hierarchical stages" of the process of communication work? (10 marks) (You can reference to both the authors' theories or provide some of the authors' theories)

1. What is linear, circular, and hierarchical communication? (3 marks)  
 Linear: a message is sent from one person to another.  
 Circular: a message is sent from one person to another, and then back to the sender.  
 Hierarchical: a message is sent from one person to another, and then to a third person, and so on.

2. What are the five stages of verbal communication? (10 marks)  
 1. Sender: the person who sends the message.  
 2. Receiver: the person who receives the message.  
 3. Message: the information being sent.  
 4. Channel: the medium through which the message is sent.  
 5. Feedback: the response to the message.

3. What is the difference between verbal communication and non-verbal communication? (10 marks)  
 Verbal communication is the use of words to convey a message. Non-verbal communication is the use of body language, facial expressions, and other non-verbal cues to convey a message.
