Barker-Benfield, 2023-09-01 This book highlights the significant role played by Ignatius Sancho c 1729-80 the first black man to vote in England in the British abolitionist movement Examining the letters of Sancho and especially his correspondence with the influential novelist and preacher Laurence Sterne the author analyses the relationship between sensibility and antislavery in eighteenth century Britain The book demonstrates how Sancho navigated the bawdy riotous conditions of commercial London which was the headquarters of a growing and war torn Empire It shows how Sancho mastered the fashionable and gendered language of the culture of sensibility navigating the contemporary issues of race slavery and politics The book also touches on the White metropolitan and colonial preoccupation with Black men s sexuality which was intensified by the Somerset decision of 1772
