community resilience presented at the International Police Executive Symposium s IPES 25th annual meeting in Sofia Bulgaria in 2014 A new book in the highly regarded IPES Co Publications series Global Perspectives on Crime Prevention and Community Resilience offers strategies for crime and violence prevention and community initiatives for crime reduction while promoting current best practices for police effectiveness safety and professionalism The book includes eighteen chapters from police leaders practitioners and academics around the world in efforts to demonstrate effective strategies for the prevention of crime and innovative techniques in assisting crime victims In an increasingly global reality this text gives voice to valuable members of the international policing community

The Development of Transnational Policing John

McDaniel, Karlie Stonard, David Cox, 2019-10-10 This book draws together the insights of eminent academics and specialists to present an overview of past and present approaches to transnational policing throughout the Anglophone world It aims to revitalize the study of transnational policing by showing that past and present developments in this field remain poorly understood while also suggesting future avenues of research Containing chapters on police history police accountability gendered hate crime in an increasingly online world counter radicalisation strategies being pursued around the world internet facilitated sex trafficking and changes in organised crime amongst others the authors adopt revisionist orthodox and progressive views in order to challenge our understanding and appreciation of developments in transnational policing All of the chapters in the book use policing models employed within the UK as either their focal point or as a point of comparison so that direct comparisons and contrasts can be examined The Development of Transnational Policing illustrates distinctive and separate aspects of what remains an undoubtedly complex and dynamic field but also forms an overview of developments and the dearth of academic research which surround them in order hopefully to inspire researchers policymakers and practitioners alike

Global Perspectives on Reforming the Criminal Justice System Pittaro, Michael, 2021-06-25 The often tenuous relationship between law enforcement and communities of color namely African Americans has grown increasingly strained and the call for justice has once again ignited the demand for criminal justice reform Rebuilding the trust between the police and the citizens that they have sworn to protect and serve requires that criminal justice practitioners and educators collaborate with elected officials and commit to an open ongoing dialogue on the most challenging issues that remain unresolved but demand collective attention and support Reform measures are not limited to policing policies and practices but rather extend throughout the criminal justice system There is no denying that the criminal justice system as we know it is flawed but not beyond repair Global Perspectives on Reforming the Criminal Justice System provides in depth and current research about the criminal justice system around the world its many inadequacies and why it urgently needs reformation Offering a fully fleshed outline of the current system this book details the newest research and is incredibly important to fully understand the flaws of the criminal justice system across the globe The goals of this book are to improve and advance the criminal justice system by addressing the glaring weaknesses within the system and discuss potential

reforms including decreasing the prison population decarceration and improving police community relations Highlighting topics that include accountability community oriented policing ethics and mass incarceration this book is ideal for law enforcement officers trainers educators government officials policymakers correctional officers court officials professionals researchers academicians and students in the fields of criminal justice criminology sociology psychology addictions mental health social work public policy and public administration International Perspectives on Police Education and Training Perry Stanislas,2013-10-30 Training and education constitutes the backbone of a significant amount of police activity and expenditure in developing the most important resources involved in policing work It also involves an array of actors and agencies such as educational institutions which have a long and important relationship with police organizations This book examines the role of education and training in the development of police in the contemporary world Bringing together specialist scholars and practitioners from around the world the book examines training methods in the UK the USA Australia Canada China France Hungary India the Netherlands St Lucia and Sweden The book throws light on important aspects of public service policing and new areas of public and private provision through the lens of training and development It will be of interest to policing scholars and those involved in professional and organizational development worldwide
