International, 2017-12 **Pounds Loss for the Journey** Jerrie Gillyard, 2010-01-19 A shed weight loss journey you can afford is to help you lose the weight you desire first I must tell you that it is not easily but a willing mind and determine spirit must first be your focus and you must not be sidetracked with any circumstance that you will be facing in this journey of connecting with your mind and body Many have tried to lose weight and failed in their trying my hope is that as you read this book it will help you to see yourself and be willing and determined to follow it and lose the weight you want It was a struggle for me to meet the thirty days ahead but as I thought about the women that would like to lose weight but fail in their trying I began to pray about what I could do to help and God led me to start a connected journey and what type of food to eat and how to apply it so it would not be unhealthy for anyone The road to any journey is unknown until we start that journey and complete it I knew that I would lose the weight because my mind and body was connected when I took a hard serious look at myself in the mirror It was as if I saw a bubble doll that has so many rolls of fat and at that time I only weighed 172 but as each day passed I was getting fatter and fatter So I refused to let my body overrule my mind it was a moment of tenseness and frustration but then as I looked and saw I decided to do the impossible and trust God for the possible It is a fact that no eating after 6 00 PM or two hours before you retire to bed is because your metabolism slows down and what you eat and lie down will not burn fat and that morning will turn into fat so you could not eat late at night while on this connecting journey This is a sure way of knowing that you can shed some pounds off when you follow the menu as close as you can All this information is under girdle by the grace of God and my life experience and only what I did to accomplish this goal I did not have a trainer could not afford one even if I needed one did not sign up for any program or exercise did not go to the gym but with the help of God Almighty Now let me tell you about what I was around 24 7 and that was food because I served the seniors dinner five days a week did doing that cause me to forget my goal No because I was determined to fight the temptation and with prayer I was not tempted to eat So the food did not get in my way to cause me to override what I started out to do So if you are married and have children that will not be a problem if you really want to lose pounds So go for it feed your family what is necessary and eat as you are told in this book and your family will be so pleased that you can take care of

them and find time for yourself So do what s important for you to bring more stability and a more active energized outgoing mother that brings balance to the family and you will have more energy to do what you could not do before you lost the pound for the journey *Vocational-technical Learning Materials* Bruce Reinhart,1974 **Salon Fundamentals**
