Bad Girls and Dirty Pictures Alison Assiter,Avedon Carol,1993 For well over a decade half baked analysis and phony science have been used by some feminists to side track the women s movement into puritanical campaigns against sexual material and imaginative sexual exploration Many feminists would say that this widely publicised version of feminism is itself sexist and that the increasingly vocal anti pornography campaigns are founded on theoretical dead ends that have allowed feminists to deviate drastically from the basic goals of women s liberation Bad Girls Dirty Pictures puts these anti sex anti porn arguments under the microscope of a more thorough and considered feminist analysis It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right as well as exposing the dangers of anti porn feminist arguments Contributions from a wide range of women including sex workers and academics remind us that pornography does not have a special place in our oppression and that censorship must still be seen as dangerous enemy of women Bad Girls Dirty Pictures is a much needed antidote to falsehoods shabby thinking and patronising sexism that have fuelled anti pornography campaigns and misled the women s movement

Dawson,2023-05-07 If you won t give me control of your company then I ll just take it I ve been a producer of gay for pay porn for decades I only film though I ve never been in front of the camera Until now The new model I hired is changing me He s wearing me down He s making me weak and docile When he flexes his ripped rounded muscles it s like my brain turns off I need to kneel and obey I m the director but he s calling the shots He s transforming me into a porn star

Format Short story Length 9 000 words CONTAINS EXPLICIT GAY SEXUAL CONTENT *Photographer's Market* Melissa Milar,William Brohaugh,1989 **Cyberfeminism in Northern Lights** Malin Sveningsson Elm,Jenny Sundén,2009-03-26

What does it mean to study supposedly global media phenomena from a Nordic perspective In which ways could a Nordic feminist perspective on digital media make a difference in relation to dominant research traditions What would be particular and unique about Nordic cyberfeminism compared to the unmarked version of cyberfeminism dominating the field today These are some of the questions that this book sets out to answer Cyberfeminism in Northern Lights Digital Media and Gender in a Nordic Context pushes the boundaries of contemporary cyberfeminism significantly Against the background of an expanding body of research in the field of digital media and gender which to this date has primarily been carried out from an Anglo American perspective the book argues that feminist studies of digital media need to become more inclusive and aware of their own geographical and cultural biases and limits The book takes as its point of departure the knowledge and experiences from the Nordic countries Norway Sweden Finland Iceland and Denmark Although often grouped together under the assumed homogeneity of Scandinavia there are important differences between the countries but also certain qualities and aspects that run across national borders which make for an intriguing foundation of this book Highlighting the work of several of Scandinavia s best internet researchers this collection shows how our understanding of the intersection of gender and computer technology is both universal and cultural It s fascinating reading for anyone interested in questions of gender culture or social aspects of the internet and serves as a useful corrective for those who assume these issues can be understood without considering them from multiple cultural positions Nancy Baym Associate professor of Communication Studies University of Kansas This is a very illuminating unconventional and agenda setting collection of essays by a new generation of scholars Very Nordic in its pragmatic approach egalitarian spirit and scholarly excellence it manages to strike a global note The range depth and scope of the theoretical concerns coupled with the originality of the themes discussed casts a new light on a number of crucial issues in feminist cultural studies of science and technology A delight to read Rosi Braidotti Distinguished professor in the Humanities Utrecht University NSFW Susanna Paasonen, Kylie Jarrett, Ben Light, 2024-02-06 An exploration of how and why social media content is tagged as not safe for work and an argument against conflating sexual content with risk The hashtag NSFW not safe for work acts as both a warning and an invitation NSFW tells users We dare you to click on this link And by the way don t do it until after work Unlike the specificity of movie and television advisories suggestive dialogue sexual content NSFW signals nonspecifically sexually explicit content that ranges from nude selfies to pornography NSFW looks at how and why social media content is tagged not safe and shows how this serves to conflate sexual content and risk The authors argue that the notion of unsafety extends beyond the risk of losing one s job or being embarrassed at work to an unspecified sense of risk attached to sexually explicit media content and sexual communication in general The authors examine NSFW practices of tagging and flagging on a range of social media platforms online pornography and its dependence on technology user generated NSFW content in particular the dick pic and associated issues of consent desire agency and social power the deployment of risqu humor in the workplace and sexist and misogynist

online harassment that functions as an enforcer of inequalities They argue against the categorical effacement of sexual content by means of an all purpose hashtag and urge us to shift considerations of safety from pictorial properties to issues of context and consent **The Motion Picture Guide** Jay Robert Nash,1988 Violence against Women in Pornography

Walter DeKeseredy, Marilyn Corsianos,2015-11-19 Violence against Women in Pornography illuminates the ways in which adult pornography hurts many women both on and off screen A growing body of social scientific knowledge shows that it is strongly associated with various types of violence against women in intimate relationships Many women who try to leave abusive and or patriarchal men also report that pornography plays a role in the abuse inflicted on them by their ex partners On top of these harms male pornography consumption is strongly correlated with attitudes supporting violence against women Many researchers practitioners and policy makers believe that adult pornography is a major problem and offer substantial evidence supporting this claim Violence against Women in Pornography unlike books written mainly for scholarly and general audiences specifically targets students enrolled in undergraduate criminology deviance women s studies masculinities studies human sexuality and media studies courses Thoughtful discussion questions are placed at the end of each chapter and appropriate PowerPoint slides and suggestions for classroom exercises will be available to aid student understanding The main objective of this book is to motivate readers to think critically about adult pornography and to take progressive steps individually and collectively to curb the production and consumption of hurtful sexual media including that from the dark side of the Internet **Indie Porn** Zahra Stardust,2024-09-27 In Indie Porn Zahra Stardust examines the

motivations and interventions of independent porn producers as they navigate criminal laws risk averse platforms discriminatory algorithms and rampant piracy Herself a porn performer and participant Stardust takes readers behind the scenes offering intimate insights into this sociopolitical movement She finds politicians who watch porn in parliament protesters leading face sitting demonstrations sex workers making COVID safe pornography and artists reverse engineering porn detection software Against the backdrop of a global gig economy Stardust documents the promises of indie porn to democratize content revolutionize production and redistribute wealth while outlining the fantasies of regulators whose illusions of what porn is and does foreclose possibilities for transformation Inevitably as these paradigms collide porn producers engage in creative tactics to hustle for survival and visibility from ethical certification to law reform sometimes reproducing hierarchies of stigma themselves By highlighting how porn stigma is bound up with intersecting oppressions Stardust identifies these junctions as coalitional opportunities for changing social relationships to sex work and capitalism

Sexualized Media Messages and Our Children Jennifer W. Shewmaker,2015-02-24 This provocative book takes a look at children s consumption of sexualized media messages while providing parents teachers and professionals with strategies for abating their influence In this eye opening book experienced child psychologist Jennifer W Shewmaker contends that the manner in which a child is raised influences how they respond to media messages particularly those shaded by sexual

overtones This text takes a hard look at the impact of advertisements products and entertainment on a child s psyche and offers strategies for helping kids become critical active media consumers Drawing from research in a wide variety of disciplines this book explores the interpersonal factors within children s lives that impact how they learn to process sexualized media messages The book argues that an increase in marketing to children along with media based fabrications of beauty masculinity and femininity impact the confidence and character of young children who are often greatly affected by what they see and hear The author shares invaluable tips for promoting strengths in children and adolescents of both genders and presents the protective influence of communities to help children dismiss distorted media images

Porn Star Photo Guide: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Porn Star Photo Guide : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Porn Star Photo Guide : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
