those following the debates surrounding the Cyprus problem      *Resolving International Conflicts* Jacob Bercovitch,1996

Mediation is one of the most important methods of settling conflicts in the post Cold War world This text represents the most recent trends in the process and practice of international mediation      *Reporting Conflict and Peace in Cyprus* Sanem Şahin,2022-03-25 This book studies journalism in Cyprus to understand how journalists negotiate their roles and responsibilities in conflict affected societies In Cyprus journalism has navigated through the pressures and challenges of intercommunal and political tensions The book outlines a historical context of the conflict also known as the Cyprus problem and discusses the news media s involvement in it However the primary concern is journalists perceptions of their professional roles and external forces affecting their work It examines the impact of political economic and organisational influences media ownership and technological developments on their work through interviews conducted with journalists It studies professional and ethical challenges journalists experience especially when reporting intercommunal relations Finally it explores the impact of digital media on journalism and the public debate on the Cyprus problem      **Insight Turkey 2017 - Summer 2017 (Vol. 19, No.4)** , Reclaiming the Region Russia the West and the Middle East The Latest Issue of Insight Turkey Is Published In its last issue of 2017 Insight Turkey discusses Russia who has a strong say in many fields and how it steers international politics This special issue of Insight Turkey aims to discuss the continuities and changes in Russia s foreign policy priorities and strategies since the end of the Cold War Richard Sakwa Igor Torbakov Emre Er en and Nikolay Kozhanov analyze some of the most current events More specifically they address Russia s relations with the Trump administration Europe Turkey and Iran respectively Additionally Yury Barmin and Muhammet Ko ak on their papers deal with some crucial topics such as Russia s oil policies and the security narratives on Islam in Russia Three off topic commentaries and one off topic article finish off the dossier for this issue Tun Khin in his commentary assesses the genocide taking place in Burma The commentary of Othman Ali focuses on another important topic the conflict in Kirkuk which is under the rule of the Kurdistan Regional Government KRG Arguing on the importance that Kirkuk maintains for Turkey Ali gives suggestions on the options Turkey has and how this matter could be resolved Venezuela crisis another important crisis of the last month is brought to the readers through the commentary of Oliver Stuenkel Lastly Beril Dedeo lu and Tolga Bilener portray the integration process between India and ASEAN Reclaiming the Region Russia the West and the Middle East is the last issue for 2017 which has been a very successful year for Insight Turkey As with the previous issues we trust that our readers will find this issue informative and constructive      **Insular Destinies** Paschalis Kitromilides,2019-11-15 In this collection an eminent authority on the history of political thought and on the intellectual history of modern Hellenism employs his twin academic specializations in political science and in intellectual history to understand the intricacies of the historical experience of his native island Writing in a perspective inspired by the work of Fernand Braudel he attempts in a series of studies in cultural and social history to recover lost and overlooked aspects of the collective destinies of Cyprus and the

Cypriot diaspora in the centuries of Ottoman rule a period of critical significance for the survival of the people of the island He then turns to a penetrating analysis of the politics of the Cyprus Question The pertinent studies collected in this volume bear the imprint of the deep soul searching by the younger generation of Cypriot scholars at the time of the tragedy of 1974 over what went so wrong that their country was exposed to foreign invasion occupation and division The hints at answers to these questions offered by the author s interdisciplinary and critical treatment of the subject make this work an indispensable aid to anyone wishing to grasp the deeper antinomies and dilemmas immanent in the Cyprus Question

*Ethnofederalism in Cyprus* Pavlos I. Koktsidis, 2024-08-01 This book develops a holistic understanding of the intrinsic security concerns which lie at the heart of the protracted conflict in Cyprus This work offers a well grounded account of intractability in Cyprus by unfolding the rationale and prevalence of competitive approaches held by Greek and Turkish Cypriots alike The analysis explains how crude security interests give birth to an existentialist security dilemma that has so far prevented Greek and Turkish Cypriots and their security guarantors from reaching a durable settlement This book contains a systematic critique of the breadth and depth of the major security concerns embedded in the proposed federal bi zonal framework for Cyprus uncovering the impetus and rationale of the underlying insecurities that prompt the Greek and Turkish sides to compete on a series of state building aspects including the opposing understandings of self determination and sovereignty the competitive underpinnings of federal institutional design and the problematic role of third party involvement This book ultimately unravels a deeper and more pragmatic understanding of how competitive security considerations and geopolitical considerations link up to ethno federal design in post conflict environments This book will be of much interest to students of conflict studies federalism studies statebuilding European politics and International Relations

**Party-Society Relations in the Republic of Cyprus** Giorgos Charalambous, Christophoros Christophorou, 2015-11-19 The Republic of Cyprus social and political culture is deeply partitocratic with a close relationship between state apparatus and the parties that influence the government s decisions However little is known about the social and political implications of the above traits and even less about how parties influence and are influenced by society at large The concept of linkage which refers to the linking of citizens with government and the political process is vital in the study of the electoral or ideological considerations of parties Parties decisions regarding their organization and image correlates with the effort made to keep up with public opinion Party Society Relations in the Republic of Cyprus adds a new dimension to the study of linkage considering the complexity of civil society as well as exploring the dynamics of political parties Bringing together specialists from a range of disciplines it examines the wider effects of partitocracy on democracy and uses it as a frame for exploring the construction maintenance or deformation of links between social groups and parties Through its analysis of both the partisan and societal aspects of party social relations it illuminates larger questions concerning the strategic complexity involved when politics and society interact Approaching the Republic of Cyprus as a representative case study of partitocratic political

culture this book is a key resource for those interested in party and civil society politics as well as Cypriot Mediterranean and South East European politics *Minority Memory, Identity, and Reconciliation* Gül M Gür, 2025-07-02 Migration and minority rights are increasingly at the forefront of global discourse *Minority Memory Identity and Reconciliation* explores the lives of two often overlooked minority communities the Greek Orthodox minority in Istanbul Türkiye and the Turkish Muslim minority in Western Thrace Greece As empires dissolved the leaders and political elites of new smaller nations that emerged embarked on population exchanges to increase the ethnic and religious homogeneity of their nation states Although these two minority communities differ in religious ethnic and socioeconomic terms they both offer unique perspectives on what happens to people who live on what is perceived as the wrong side of an arbitrarily drawn border Drawing from the personal stories of members of these two minority communities regarding their struggle with displacement discrimination and cultural assimilation as well as comprehensive historical analysis this book examines how historical traumas national policies and sociopolitical dynamics have influenced contemporary minority memory and identity formation By incorporating interviews with community leaders civil society representatives and state officials this book offers a rich multifaceted perspective on the processes of memory and identity formation that underscores the broader implications of these processes for international relations in the region and minority rights G I M G r pulls together theories of nationalism collective memory and narrative practice to highlight the unique process of minority memory work and its role in sustaining minority identity and their advocacy efforts **Contemporary Social and Political Aspects of the Cyprus Problem** Michalis Kontos, Jonathan Warner, 2016-08-17

In today's world the issue of Cyprus is notable for all the wrong reasons because of the duration of the divisions in Cyprus itself between Greek Cypriots and Turkish Cypriots formalized since 1983 by a disputed international border across the island because of the involvement of Greece and Turkey for which the hyphenated Cypriot communities form proxy battalions and because of the failure of the United Nations longstanding efforts to resolve the conflict Much of the discussion in the book revolves around the difficulty of producing viable constitutional and civic arrangements in an

*Cyprus and the Roadmap for Peace* Michális S. Michael, Yücel Vural, 2018-10-26 The UN led Cyprus peace process is in desperate need of radical transformation This book makes a notable contribution towards changing the current discourse by empowering the main parties to better value their relationship By altering goals and perceptions the authors explore alternative visions for the future of Cyprus suggesting both realistically feasible and politically challenging ideas Using an exciting innovative and multifocal approach the authors discuss the practical application of resolutions and explore the radical disagreements of the conflict at both social and political levels Reflecting on the idea of a post settlement situation and the prospect of such a reality chapters illustrate the problems challenges and political dynamics of Cyprus The book explores the conceptual approaches to dialogue a review of Greek Turkish and Cypriot policies the challenging roles of the UN and EU Greek Cypriot and Turkish Cypriot perspectives on the conflict and finally dialogical reflections and debates on

past and future problems Allowing open and expressive dialogue this book will interest those in academic and practitioner roles focused on international politics conflict resolution and peace studies It allows for further understanding of the complex perspectives presented in Cyprus that have great relevance in other international settings Contributors include C Adamides A B Akter D Christofias G Christou B Ekenoglu D Eroglu A G nal M Hadjipavlou A Heraclides E I ener M Kontos N Loizides M S Michael N Moudouros Y Omerou I zejder S Sonan A S zen M A Talat G Vassilou Y Vural *The Statesman's Yearbook 2024* Palgrave Macmillan,2024-01-03 Now in its 160th edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions *Collective Equality* Limor Yehuda,2023-04-27 In recent decades international and regional human rights norms have been increasingly applied to constitutional provisions revealing significant tensions between primary political arrangements such as power sharing institutions and human rights norms This book argues that these tensions generally framed as a peace versus justice dilemma are built on an individualistic conception of justice that fails to account for the empirical reality in places characterized by ethnically based political exclusion and inequalities By introducing the concept of Collective Equality as a new theoretical basis for the law of peace this timely book proposes a new approach for dealing with the tensions between peace related arrangements and human rights norms Through principled pragmatic and legal reasoning the book develops a new paradigm that captures more accurately what equality and human rights mean and require in the context of ethno national conflicts and provides potent guidance for advancing justice and peace in such places **The Statesman's Yearbook 2016** Nick Heath-Brown,2017-02-07 Now in its 152nd edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions [www.statesmansyearbook.com](http://www.statesmansyearbook.com) *The Statesman's Yearbook 2023* Palgrave Macmillan,2023-01-04 Now in its 159th edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions **Protecting Human Rights and Building Peace in Post-Violence Societies** Nasia Hadjigeorgiou,2020-02-20 This book critically examines the relationship between protecting human rights and building peace in post violence societies It explores the conditions that must be present and strategies that should be adopted for the former to contribute to the latter The author argues that human rights can aid peacebuilding efforts by helping victims of past violence to articulate their grievance and by encouraging the state to respond to and provide them with a meaningful remedy This usually happens either through a process of adjudication whereby human rights can offer guidance to the judiciary as to the best way to address such grievances or through the passing and implementation of human rights laws and policies that seek to promote peace

However this positive relationship between human rights and peace is both qualified and context specific Through an interdisciplinary and comparative analysis of four case studies the book identifies the conditions that can support the effective use of human rights as peacebuilding tools Developing these the book recommends a series of strategies that peacebuilders should adopt and rely on Winner of the Constantinos Emilianides Award in Law for 2020 joint conferment
