Studies in the Literary Relations of England and Germany in the 16. Century Charles-Harold Herford, 1886

Bibliographic Guide to Music New York Public Library. Music Division, 2004 **The Song of Songs in the Middle**

Ages Ann W. Astell, 2018-10-18 Included among the sacred books of Judaism and Christianity alike the Song of Songs does not mention God at all on the surface it is a lyrical exchange between unnamed lovers who articulate the range of emotions associated with sexual love Ann W Astell here examines medieval reader response both interpretive and imitative to the Song Disputing the common view that the literal meaning of Canticles had no value for medieval readers Astell points to twelfth century commentaries on the Song as well as an array of Middle English works as evidence that the Song's sensuous imagery played an essential part in its tropological appeal Emphasizing the ways in which a complex fusion of the Song's carnal and spiritual meanings appealed rhetorically to a variety of audiences Astell first considers interpretive responses to Canticles contrasting Origen's dialectical exposition with the affective commentaries of the twelfth century ecclesiastical Marian and

mystical According to Astell these commentaries present Canticles as a marriage song that mirrors a series of analogous marriages both within the individual and between human and divine persons Astell describes interpretations of the Song of Songs in terms of the various feminine archetypes that the expositors emphasize the Virgin Mother Hetaira or Medium She maintains that the commentat5ors encourage the auditor s identification with the figure of the Bride so as to evoke and direct the feminine affective powers of the soul Turning to literature influenced by the Song she then discusses how the reading process is reinscribed in selected works in Middle English including Richard Rolle s autobiographical writings Pearl religious love lyrics and cycle dramas The Song of Songs in the Middle Ages provides an innovative model of reader response that opens the way for a deeper understanding of the literary influence of biblical texts

Annual Supplement ,1979

Adopting the Track of Expression: An Psychological Symphony within **Resonet Preparation Guide**

In a global taken by screens and the ceaseless chatter of instant connection, the melodic splendor and psychological symphony created by the written term usually diminish into the backdrop, eclipsed by the persistent noise and disruptions that permeate our lives. However, set within the pages of **Resonet Preparation Guide** a wonderful literary prize filled with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this interesting masterpiece conducts viewers on a psychological trip, skillfully unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths with this moving analysis, we shall explore the book is key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
