The Church Guide for Making Decisions Together Terence Corkin,Julia Kuhn Wallace,2017-05-02 Recent political events in the USA indicate that ordinary people are weary of traditional politics and ways of doing business in the halls of power A similar mood is present in churches around the world Ordinary church

members are tired of the fighting and politicking that seem to privilege the same people all the time They want a new way of making decisions in their churches and in their representative meetings This book shows them how such a hope can be realized Robert s Rules of Order or the traditional parliamentary style of decision making used in many churches can work for simple decisions that are aggregated and passed by consent For complex and divisive issues churches need a decision process that does not result in a combative winner take all approach to church life A healthy church also tries to involve commitment from a wide range of stakeholders rather than privilege a few well informed and capable speakers A vital and healthy congregation yearns for a more collaborative respectful encouraging engaging and empowering process This book on discernment in the church provides a step by step guide on how to create a new way of working together Drawing on tried and tested processes it advocates for a consensus building approach and showing people how it can work in their setting local church or judicatory meetings Readers will learn how to design a consensus building business process for their church meeting while still respecting the denominational and legal requirements under which they must operate This book is for leaders members of church boards and committees and church members who know that there is something wrong with the present system but don t know what to do about it This guidebook is hopeful inspiring and practical Fear Not Eric H. F. Law,2020-02-04 Learn how to face your fears and and live into courageous and faithful action with Fear Not Americans live in a culture of fear whether we know it or care to admit it Who will attack us next Who will steal our jobs Whose relationship undermines the sanctity of mine In an era when manipulative messaging is unavoidable politicians media marketers and even faith leaders play on our fears and use them to win elections gain attention sell products and influence the way you view those around you all in the name of claiming power Fear Not subverts insidious fear based messaging with the creation of courageous communities committed to truth telling grace hope and love Drawing on decades as a community building and church growth leader for churches and nonprofit organizations Eric H F Law shares practical resources and processes for bringing diverse people together to build authentic relationships and share their truth Each chapter includes suggested activities and questions for discussion and tips for creating small discussion groups **Navigating Ethical**
