His Devil's Fire Linzi Basset, 2020-10-04 His Devil's Fire is book 6 in Club Devil's Cove Series Regret always came too late something Lexi Calvert knew all too well A decision she'd regretted for the past eight years had kept her in hiding from guilt and then from him Lance Talbot the one man who would come to hate her if he found out the truth Then prepare yourself for hell my pet because you will come to me and yes I'll be the devil you prayed never to meet She should've seen it coming but the last thing she expected was the powerful Dom's demand that she become his submissive willingly Her mind screamed no but her body well that was a completely different story He was the kind of man every woman dreamed about debonair as they came

with an irresistible charm she couldn't say no to. Disregarding the threat his words promised she said yes. Lance Talbot had seen and experienced despair in his years as a combat soldier in Afghanistan. It had turned him into a hardened man with every reason to hate the one woman he never seemed able to forget. Until he looked into her eyes and saw her suffering that awakened the caring Dom in him. He set out to save her from herself before she destroyed the beauty of her soul in an effort to find absolution. She became the prey and he the hunter. He'd had a taste of the young Lexi Calvert eight years earlier now he ached for the mature woman in her and the enticingly sassy woman knew just how to awaken the devil in him. But would the past ever truly be forgotten? Only time would tell. Entangled amidst their budding love the conspiracy began to unravel as a plot to unmask the Sixth Order exploded in their faces literally. The Precision Secure team was left naked and vulnerable as death handed them a cruel hand. Would they ever recover or was this the beginning of the end?

EDITOR'S NOTE: Basset knows how to draw a reader in, catch their attention and not release it until they are needy for the next chapter and a helping hand or a cold shower. The emotions and angst reign supreme between Lance and Lexi but there is an amazing balance between romance, kink and suspense that like a scene between Dom and sub has the reader holding their breath only to be let up for air at the perfect moment. Although each couple achieves their HEA in every book they should be read in order for best reader experience as there is a back storyline throughout the series.

The Billionaire's Price Sabel Simmons, 2025-08-13. This book was previously published under my pen name Linzi Basset with the title Sarah: The Life of Me. Please note: This book is written in dual POV. Every small town has its outcasts. Sarah Gould wore that badge like a wound branded by whispers and sideways glances since childhood. But she never expected to trade that scarlet letter for a price tag at The Bellissima, an elite playground where fantasies come with a hefty invoice. The choice wasn't hers. With her mother's life hanging by a thread of debt, Sarah steps into the glittering cage of The Madam, making her role simple: Be the innocent flower among thorns. Be desirable. Be destructible. Enter Jake Sinclair, billionaire co-owner of this temple of temptation. He's a man who collects pleasures like others collect art, each conquest carefully curated, none lasting beyond sunrise. Until Sarah. One look at her and his carefully constructed world tilts on its axis. One touch and he's burning up in flames of his own making. Jake Sinclair always gets what he wants, but this time what he wants might be his undoing. As shadows from Sarah's past lengthen and secrets threaten to shatter their glittering facade, one question remains: In a game where everyone wears a mask, who's really hunting whom? Because sometimes the most dangerous player is the one you never see coming. Will the puppet master become the puppet? Or will both hunter and prey find themselves caught in
