Stone,2014-12-31 This plan this crazy stupid impossible plan could work At the very least it will serve to get the boys back into the folds of the Elite so they don't come to any harm for helping me And it'll get me back inside so I can try to save my father but then what How will I get him out We have no guarantees this will even work Sinna is headed back to Rehabilitation Like it or not she doesn't see any other alternatives She can't just pretend everything is okay and hide out in the Garden But how will they get back there And what will happen when they do Will they be able to make it back out alive a second time Sinna isn't at all sure about any of it but her conscience won't let her back out now **The Road to**

Green,2016-03-02 The sky is falling No Chicken Little isn't back in vogue But the end times are upon us Has your attention been drawn to such themes as Armageddon the Apocalypse antichrist the Rapture and other such events TV and movies are including them in ever increasing measure The same thing happened at the time of Jesus birth circa 7 B C When the time draws near for Biblical prophecies to be fulfilled God gets folks interested in them What does that tell us about today The

Heavenly Citizens series serves as a tool to help the Christian understand not only what the Bible teaches us but also how to study the Bible Explaining what the Bible teaches is like giving someone a fish to eat Teaching him how to study the Bible is like teaching someone how to fish so he can feed himself Both approaches are essential to developing spiritual maturity Revelation is the eleventh volume in the Heavenly Citizens series The Apostle John was exiled by the Roman emperor to the island of Patmos in the Aegean Sea off modern Turkey In the solitude he had there he was visited by Messiah Jesus The Lord gave him a vision of Himself glorified a vision even more glorious than what John witnessed on the Mount of Transfiguration Jesus followed that with a portrayal of the entire Church Age and then gave a vivid account of the end times It is customary for folks today to flock to end times stories We are fascinated by what we don't know and we want to get the latest scoop on the unknown so that we can be one up on everyone else But that is not the purpose for which God reveals the future to us as we can ascertain by a quick reading of Deuteronomy 29:29 In keeping with God's purpose we spend our time in studying Revelation by limiting the guess work which serves only to tickle our fancy and in its place substitute a practical application of the text to our lives for today Why did Messiah Jesus reveal these events to the Apostle John What are we to learn from this revelation that will help us to live each day like God calls us to live Yes this revelation is long and full of exciting details so we wouldn't dream of leaving any of that out Truth be told we spend considerable time on each and every verse in the Book of Revelation But if we leave it at that then we have failed God and ourselves Messiah Jesus didn't die so that we can be smart and intellectual He died so that we might have new life His life in us That is our guiding principle in studying the Book of Revelation viz how to make better disciples for our Lord The approach for Revelation and for every volume in the Heavenly Citizens series is to teach the student the meaning of Scripture We also teach him or her how to study the Bible on his/her own We do this in two ways we provide a few rules by which to govern our Bible study and we demonstrate by example how to study the Bible Experience is an outstanding teacher In our books we practice the rules for Bible study By walking through the Bible with us the reader experiences firsthand what our method of study is like We believe the student will come out of our studies with both an understanding of the Bible and the ability to truthfully understand the Bible on his/her own The path lies before you Walk through the gate and join the journey with us And may the blessings of the Lord Jesus Christ be yours in abundance

*Revelation, the Novel* William C. Carson, 2014-08-18 The book of Revelation is one of the most well known and least understood entries in the Bible For centuries its thick text and complex imagery has perplexed the common man as well as seasoned biblical scholars and through no fault of their own most people have failed to recognize let alone appreciate its underlying message Revelation the Novel carries the ancient words of Revelation into contemporary times and places apocalyptic events and considerations into our modern political and social frameworks In so doing it is sure to educate and enlighten Christian thinkers as well as entertain any and all who read it despite their religious affiliation At the bottom line beneath the fresh insight it brings Revelation the Novel is an enthralling and entirely thrilling piece of fiction that explores

what is slated to happen at the end of the world as we know it as told from the viewpoints of the Apostle John and the Antichrist. A fearsome yet hopeful tome it is a must read for fans of horror dystopian and disaster fiction. *Revelations from the Revelation of Jesus Christ, Chapters 1-3: A Commentary for the Believer in the Pew* Rev. Desiré P. Grogan, 2022-01-11 For the believer in the pew the Book of the Revelation of Jesus Christ needs no other introduction than that it is the most avoided Book of Scripture that few feel capable of navigating and understanding on their own. The dense amount of imagery and the horrific scenes of judgment are mind boggling and remain a mystery for many. The purpose of this volume is to empower you the believer in the pew with the most accessible tool to navigate and understand this last Book of Scripture and that tool is the Bible itself the Bible in your hand. You see the God Who is speaking and acting in this last Book of Scripture has been speaking and acting throughout the Biblical text cf Heb 1:1-2. It is God's intent therefore that you understand this last Book of Scripture just as He intended for you to understand all Scripture. The Revelations in this last Book were not hidden from you but for you to discover through diligent study. Let this volume be your entrance into the awe inspiring zone of discovering and re-discovering the majesty and the consistency of the only God Who is worthy to be trusted and obeyed worshipped and adored. **Revelation** Hershel Landers, 2022-06-30 Things to know about the Great Tribulation. The Antichrist is not the author of the events in the tribulation. He is manipulating them. Most deaths in the tribulation will not be at the hands of the Antichrist. Rev 6:8-9, 13-15, 18. Most Christians who die in the Great Tribulation will not be martyred beheaded. Rev 6:8-9, 18. The mark of the beast will affect the merchants not the consumers. Rev 18:3, 11, 15, 21. The consequences for refusing the mark of the beast is not death. Rev 13:16-17 but restriction from participating in the Antichrist's one world commerce system wherein all the participants will become rich. One will not be forced to choose between salvation and starvation. Matt 6:25-31, 33. A single act of taking the mark of the beast is just as forgivable in the tribulation as tattoos of Satan are today. See the combination of unforgivable acts of worship in Revelation 14:9-11. Many will worship the beast or his image or take his mark and be forgiven. It is the combination of those three acts that is unforgivable. See the same principle in Romans 10:9 as it applies to eternal life. Those who miss the rapture are not at the mercy of the Antichrist. Rom 5:20. The word of God and the Holy Spirit are both present during the tribulation. Matt 24:35. John 14:16-17, 26. Salvation will be just as accessible in the tribulation as it is in the church dispensation. Matt 18:20, 24-3. Heb 13:5. Rev 7:4, 11, 3, 14, 6. The opening of the seals is not God releasing his judgment in the Great Tribulation but the consequences of humanities accumulated behavior. Gal 6:7. Satan does not have the authority ability or power to give life to anything. John 10:9-10. Acts 17:25, 26, 28. The terms before the foundation of the world predestination the Lamb's Book of Life are all expressing the eternal state. Eliminate either of these conditions or positions from the plane of salvation and there is no eternal life. These terms are never associated with sin or sinners. Rom 8:29. Eph 1:5, 11. Rev 13:8, 17, 8, 21, 9, 27. **The Revelation of Jesus Christ Revealed** Freddie Butler, 2018-11-23 The book of Revelations is outlined in five sections. I Chapters 1-3 the church age. leader the Antichrist and all his followers as well as the world as we know it really Really Does it make any sense Is it scientifically believable And if we think it is believable which of the hundreds of interpretations and scenarios are we supposed to believe Revelation Revisited is the product of over 10 years and thousands of hours of analysis and evaluation and research on the subject This admittedly involved some disillusionment with a host of interpretations and theories and scenarios It represents an attempt to implement and adhere to certain rules of interpretation and exegesis and logic It required an intentional attempt to put aside personal biases and doctrinal presuppositions in order to let the text speak for itself It also is what emerges from applying two other principles which are unique to biblical exegesis and interpretation The first is to let scripture interpret scripture The amazing and little recognized reality is that even the very cryptic passages and somewhat bizarre symbology are actually interpreted and often explained elsewhere in scripture For example the various beasts featured in Revelation are actually interpreted and explained in the Old Testament prophetic book of Daniel and vice versa Attempts to understand and explain Revelation or Daniel without a familiarity with understanding of and reference to the rest of both Old and New Testament prophetic scripture are doomed to fail to produce accurate interpretations as has historically been the case The findings and interpretations and scenarios articulated in this commentary have areas of commonality and agreement with many other mainstream works inasmuch as they are all futurists and to varying degrees literalists But there are also significant and consequential differences with each of them The implicit message of many of these more famous authors and their works is that the revelations and frightening descriptions found in the book are actually not very relevant to the Church today because she won't even be here when they all will be occurring Thus the most important messages of the book are mostly missed and almost negated with respect to their intended impact that we need to live differently in light of these things especially as we see them happening in our world today A more accurate and realistic interpretation of the book tells us that we need to see what is happening today in light of what was predicted in scripture and live our lives accordingly Moreover we need to be passing on to the next generation the truths about what to expect in our future and theirs While we are promised deliverance from the wrath of God to be poured out on Satan and his followers we are not promised deliverance from what God describes as a time of testing and tribulation for His church Those who choose to believe the more palatable and comfortable teaching that Christ will come to take out His church before the Antichrist appears may very well fail to recognize the Antichrist when he does appear and scriptures warns many will be deceived by him People today need to hear this truth proclaimed This is book 1 of 4 volumes     [Revelation: Unlocking the Mysteries of the End Times](#) Bruce Bickel, Stan Jantz, 2003-07-01 Many Bible readers finish reading the final chapters of the Scriptures with more questions than answers Bruce and Stan can help them understand Revelation's encouraging message and apply it to their lives today This handy guide is thorough enough to uncover Revelation's treasures but succinct enough to be fast paced and easy to read It includes insightful explanations about the Millennium the Tribulation and other important subjects helpful
