Alexopoulos,Tomasz Basiuk,Susanne Hochreiter,Tijana Ristic Kern,2024-09-25 Reading Literature and Theory at the
Intersections of Queer and Class focuses on the crossover of queer and class examining a range of texts across languages and
genres and spanning nearly a century This collection of chapters considers the intersection of queer and class in relation to
literary aesthetics a locus in which the interaction between sexuality and class is rendered with lucidity Each chapter puts
forward class and its manifestations as central to queer analysis of literary and cultural texts in historical and contemporary
contexts The readings adopt Kimberl Crenshaw s intersectional paradigm by pointing to its activist as well as literary
precedents and elaborations These chapters emerged from a long standing collaboration among three Central European
universities whose faculty and graduate students established a joint queer literature and theory research seminar They are

supplemented by a roundtable discussion in which the contributing authors and their colleagues discuss how the concepts of queer and class in theory and academic practice have informed their current and previous work Reading Literature and Theory at the Intersections of Queer and Class is intended for scholars in gender and queer studies **The Stripping**
