The Sand Castle

It's a bright, sunny day. Cool breeze is blowing. Leonardo is digging in the sand while his friend Karen is building the walls. They are here by the sea, aiming to make the biggest castle ever made by anyone!

"We will make a separate room each, for His Majesty, the Queen and the Prince", said Karen.

"Yes", replied Leonardo. "We will build high walls and place soldiers to guard the castle". With their eager faces, smiling yet exhausted, they continue to work hard to accomplish their aim. They could hear waves splashing at the rocks in a near distance.

Suddenly, a huge wave crashes upon a nearby rock and the water flows in, all over their incomplete castle. For a minute they are shocked but then Karen calls out, "Let's start all over again!"

Sand Castle Comprehension Passages
