Clinical Handbook of Assessing and Treating Conduct Problems in Youth Rachael C. Murrihy, Antony D. Kidman, Thomas H. Ollendick, 2010-08-26

Conduct problems, particularly oppositional defiant disorder (ODD) and conduct disorder (CD), are the most common mental health problems affecting children and adolescents. The consequences to individuals, families, and schools may be severe and long-lasting. To ameliorate negative outcomes and ensure the most effective treatment for aggressive and antisocial youth, early diagnosis and evidence-based interventions are essential. *Clinical Handbook of Assessing and Treating Conduct Problems in Youth* provides readers with both a solid grounding in theory and a comprehensive examination of the evidence-based assessment strategies and therapeutic practices that can be used to treat a highly diverse population with a wide range of conduct problems. It provides professional readers with an array of evidence-based interventions, both universal and targeted, that can be implemented to improve behavioral and social outcomes in children and adolescents. This expertly written resource lays the foundation for understanding conduct problems in youth, including epidemiology, etiology, and biological, familial, and contextual risk factors. Details the assessment process with in-depth attention to tools, strategies, and differential diagnosis. Reviews nine major treatment protocols, including Parent-Child Interaction Therapy (PCIT), multisystemic therapy (MST), for adolescents, school-based group approaches, residential treatment, and pharmacotherapy. Critiques the current generation of prevention programs for at-risk youth. Explores salient issues in working effectively with minority youth. Offers methods for evaluating intervention programs, starting with cost analysis. This volume serves as a one-stop reference for all professionals who seek a solid grounding in theory, as well as those who need access to evidence-based assessment and therapies for conduct problems. It is a must-have volume for anyone working with at-risk children, including clinical child, school, and developmental psychologists, forensic psychologists, social workers, school counselors, and allied professionals, and medical and psychiatric practitioners.

Solar Resources Mapping Jesús Polo, Luis Martín-Pomares, Antonio Sanfilippo, 2019-01-22

This book presents methods for optimizing the spatial and network configuration of solar radiation measuring stations. Various physical and mathematical models are demonstrated, which, together with high-quality measurements, provide the essential tools to generate and validate solar resource estimates to improve the mapping of solar resources. Each chapter deals with a specific topic, showing its methodology and providing examples of how to apply these techniques with reference to current projects around the world. These topics include: Radiometric measurement campaigns; Equipment calibration, installation, operation, and maintenance; Data quality assurance and assessment; Solar radiation modelling from satellite images and numerical models; Downscaling and kriging interpolation of solar radiation; Simulation of electric solar power plant generation; Solar radiation forecasting; Applications of solar energy; and Socio-economic benefits of solar energy. The contributors present the statistical

and physical models needed to derive solar radiation from satellite images and numerical models emphasising the importance of measuring solar radiation accurately They also show the classical models used to generate synthetic data clear sky models and ancillary air quality and meteorological data from different input sources Solar Resources Mapping provides industry professionals with methodologies and tools to build solar irradiance maps for different applications The book will also benefit students and researchers as it serves as a main technical reference presenting the basic terminology and fundamentals for solar resource mapping that include methods for assessing measurement uncertainty **Focus On: 100**
