Personal response

The locals regard Moishe the Beadle as an outcast because of his treatment. He no longer receives the respect he once did. After escaping the Nazis' plan to exterminate all foreign Jews, he tells others about what happened and warns them to be cautious. But no one pays attention. They should have consoled Moishe and supported him through this.

Question 1

Wiesel's group is deeply devout and compassionate toward the needy. Elie considers himself to be in the home of learning, and he studies the Kabbalah.

Question 2

All foreign Jews were deported, they were moved into ghettos, there were special meetings, and a person went to Budapest and saw that all the Jews were in ghettos, according to certain reports. The people of Sighet did not feel they were in danger since they believed their town was so far away that they would be unaffected and that the Germans were so good to them.

Question 3

80 people jammed on a cattle vehicle with minimal food and water
Madame Schächter's behavior in detecting the approaching fire was met with gagging, restraining, and beatings by the Jews.
When things don't go as planned, human nature indicates that all morality are thrown out the window.

Q4

She had visions and kept describing "flames" and a "big fire" to everyone. Her shouts were not reassuring because the train was hot and stuffy. Everyone saw fire and flames when they arrived at Auschwitz-Birkenau.

Q5

.It's possible that you have no idea what's going on. Today, however, concealing the Holocaust would be extremely difficult. Such catastrophic calamities are always publicized on the Internet, making it hard for the rest of the world to

Jacobson,2002-08-08 More than ever before the legal system plays a vital role in virtually every aspect of the current health care system From the congressional debate over patients rights legislation to judicial rulings on the denial of health care services the legal system is integrally involved in the organization financing and delivery of health care This book explains how the legal system helps shape health care delivery and policy explores new ways of looking at the relationship between

law and medicine and reflects on why it all matters The story focuses on the judicial response to the advent of managed care especially challenges to cost containment initiatives and shows how the legal system has facilitated managed care's dominance over the health care system An equally important part of the story is the evolution of the relationship between physicians and attorneys and how their mutual antagonism affects patient care In the end the stories come together around a strategy for reconciling the difficult health policy choices the country faces and for restoring the physician-patient relationship to the center of health care delivery
