Athletic Director's Desk Reference Donna A. Lopiano, Connee Zotos, 2013-11-19 Athletic Director's Desk Reference With Web Resource is the most authoritative and comprehensive resource available for collegiate athletic administrators. Loaded with practical tools, this resource guides program administrators in navigating their increasingly complex roles in athletic programs of any size. With this reference, administrators will confidently handle typical and unexpected situations and address the various policy and system needs required for running a successful athletic program. Authors Lopiano and Zotos, well known and respected for their contributions to collegiate and scholastic athletics, guide readers with more than 75 combined years of experience as athletic program administrators, coaches, and consultants. Complete with a practical web resource, Athletic Director's Desk Reference offers extensive advice and tools for today's athletic director, covering leadership and organizational planning, office and facilities operations, staff management, student athlete relations, team administration, event management, fundraising, media relations, and more. Both the print and e-book versions of Athletic Director's Desk Reference help readers quickly find the materials and information required for performing specific tasks or functions. They include numbered contents and cross references to the web resource, allowing readers to move seamlessly between the two. This comprehensive resource includes more than 120 management tips and planning tools in the book that provide expert insights and strategic advice, and more than 340 documents in the web resource that can be downloaded and customized to meet the needs of each athletic program. Management tips in the book present foundational information, problem-solving strategies, and suggestions for management of employees, programs, events, and facilities. Planning tools in the book provide specific steps or considerations to take in the development of strategic plans, action plans, professional development plans, and governance systems. Educational resources in the web resource can be used for teaching and motivating staff members, campus constituents, volunteers, and student athletes. Evaluation instruments and risk assessments in the web resource help directors, supervisors, and employees assess job performance, evaluate program contents, identify risks, and prevent litigation. Policies and forms in the web resource allow athletic directors to produce effective policies and procedures with only simple modifications and customizations. The engaging narrative, philosophies, and advice from seasoned professionals, combined with customizable and practical materials, make this a unique and essential reference for athletic directors of all levels and abilities. Athletic Director's Desk Reference empowers administrators to confront issues and lead with confidence while saving time and research. As a result, athletic directors will become more efficient, more effective, more mission-driven, and more successful in virtually any task, decision, or strategy.

PRACTICAL Project Management: Manage Projects

Successfully with this Comprehensive Toolkit and Templates Emanuela Giangregorio, 2020-09-12 Project Management is fast becoming one of the most sought-after skills across industries and job functions. Many professionals are attracted to project management as a career choice. Knowing how to implement a tried and tested approach complements all popular

methodologies such as PRINCE2 Agile and the PMI's PMBOK is essential for all project managers. Based on Emanuela's internationally best selling course Practical Project Management, this book condenses best practice project management methods into a practical and useful guide. Learn from her real world experience and get started on your projects with a comprehensive set of tools and templates covering the entire project life cycle. Armed with the benefits of the various methods and tools, you should be able to convince colleagues of their importance to deliver projects successfully. If you aim to complete a project qualification such as PRINCE2 or the PMI's PMP, this book is highly recommended as pre-reading to first understand all key project management concepts and their practical implementation. This book introduces you to the concept of project management and walks you through the full project life cycle. It follows a logical thinking approach and provides worked examples. If you follow Emanuela's teaching in this book, you will be equipped to deliver projects more confidently, professionally and successfully. You will learn how to adapt the approach to different types of projects in terms of their nature and complexity. Templates in this book include a Project Brief, Project Business Case, Project Plan, Governance Structure, Responsibility Matrix, Risks Management Log, Stakeholder Mapping, Project Communication Plan, Project Actions Tracker, and Gantt Chart, Task Dependency Mapping, Budget Breakdown, and Tracker, Kick Off Meeting Agenda, Scope Change Management Log, Issues Management Log, Status Report, Benefits Realisation Review, Lesson Learnt Log, Project Manager Skills Self Assessment.

EMANUELA is a performance improvement consultant with over 20 years experience in project management. She has trained over 5,000 people on the subject around the world and understands how to explain complex topics simply. Whether training in person or virtually, she engages individuals and teams with energy, enthusiasm and passion for continuous improvement. Emanuela's books are all practical, relevant and useful.
