Panasonic Lumix Dmc Zs60: A Guide for Beginners Scott

Casterson, 2016-03-30 A photographer or even a regular individual loves to know that they own a very good camera. Usually users prefer their camera that are not too costly but at the same time has lots of zoom, has the ability to take quality videos and is compact. Panasonic has therefore replaced the Lumix DMC ZS50 with the Lumix DMC ZS60.

Photographer's Guide to the Panasonic Lumix LX3 Alexander S. White, 2010-07-12 Photographer's Guide to the Panasonic Lumix LX3. Getting the Most from Panasonic's Versatile Digital Camera is a follow up to the author's well received guide to a very similar camera the Leica D Lux 4. This new guidebook covers all features and operations of the LX3, one of the most highly esteemed compact digital cameras of recent years. In 232 pages with numerous color photographs and illustrations the book explains in plain language how to achieve the best possible results taking pictures with the automatic or manual controls of the LX3. Although much of the information in this book is similar to that in the earlier book about the Leica D Lux 4 camera, this new volume is updated to include several new features that were added to both cameras when their internal firmware operating system was upgraded to version 2.0. These new features include white balance bracketing, 1:1 aspect ratio lens, resume and several others. Therefore the book will be useful to users of the latest versions of both the Panasonic Lumix LX3 and the Leica D Lux 4.

Photographer's Guide to the Panasonic Lumix LX7 Alexander S. White, 2013-01-22 The Panasonic Lumix DMC LX7 has earned a reputation as one of the top choices for photographers who want an advanced camera they can carry around to capture great images without the complication and weight of a DSLR or other large camera. With features such as a very fast lens with an aperture of f/1.4, excellent image quality and a solid array of burst shooting capabilities, the LX7 has attracted an enthusiastic following. However, the camera does not come with a detailed printed manual for reference, making it difficult for users to find answers to questions about the use of the camera's many controls, menus and features. With the release of this guide book to the LX7, White Knight Press has provided users with a comprehensive guide to all operations of this

sophisticated camera Using a patient tutorial like approach the book provides guidance to beginning and intermediate photographers about how to accomplish things with the LX7 as well as when and why to use the camera s many controls menus options and other features The book does not assume specialized knowledge by the reader as it explains topics such as autofocus manual focus depth of field aperture priority shutter priority exposure compensation white balance and ISO sensitivity The book also provides details about the camera s numerous options for playback setup and customizing the operation of the various buttons and other controls The book contains approximately 400 photographs almost all in full color illustrating the LX7 s controls shooting screens and menus The images also provide examples of the various types of photographs that can be taken using the many creative settings of the camera including the Creative Control settings which let the photographer alter the color processing and other aspects of images the Scene shooting mode with settings that are optimized for various subjects including landscapes portraits and action shots the Photo Style menu option which provides the ability to customize the appearance of images and the camera s strong array of features for continuous shooting and shooting in dim lighting In addition the book goes beyond the bounds of everyday photography and introduces more advanced topics such as infrared photography street photography astrophotography and High Dynamic Range HDR photography The book also includes a full discussion of the video recording abilities of the LX7 which can shoot high definition HD video with stereo sound and which offers manual control of exposure and focus during movie recording In three appendices the book provides information about accessories for the LX7 including cases external flash units and filter adapters and includes a list of web sites and other resources for further information The book includes a detailed appendix with helpful Quick Tips with insights into how to take advantage of the camera s features in the most efficient ways possible
