Construction Labor Report, 2006-03 *Chomp Comp* Barry S. Spurlock, Keith R. Wertz, 2008-05 A staggering 98% of all private sector businesses in the U S are small businesses With very few exceptions these employers are required to purchase workers compensation insurance For many the cost of providing that coverage takes a significant bite out of their company's profits Unfortunately resources that are specifically targeted to assist small businesses reduce their workers compensation costs are nearly non-existent As a result the overwhelming majority of small business employers learn how to manage their workers compensation costs through years of trial and error Unfortunately they pay for those errors through much higher than necessary workers compensation premiums

CHOMP COMP is written specifically to small businesses owners and managers and is intended to be used as a resource and guide Although CHOMP COMP assumes that the reader knows nothing about workers compensation insurance it does not delve into impractical timelines explaining the evolution of workers compensation insurance Nor does it list specific details about workers compensation legislation that are bound to change within months of the book's publication Instead CHOMP COMP provides practical information to help small business employers understand workers compensation insurance and the factors that influence premiums From there it tackles the those factors one after another The authors have taken great effort to present the material in an easy to read format and have intentionally limited the length of the chapters

to enable small business employers to read and digest chapters in the spare 15 to 20 minutes they can carve out of their busy schedules **United States Code** United States,1959 Code of Federal Regulations ,1983 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries **Construction Review** ,1985 **Reports of Cases Decided in the Court of Appeals of the State of Oregon** Oregon.
