An inquisitive all-American grad student abruptly ends his protracted adolescence when a graduate art program lands him in West Africa during the explosive summer of 1977. His traveling artist workshops in Ghana and Nigeria deteriorate from a summer of anticipated light-hearted cultural inquiry to a gauntlet of survival. He cavorts with fetish worshipers, challenges greedy, often stoned soldiers and dances with death all in the name of higher education and accelerated maturity. He quickly sheds his laissez-faire persona realizing he is not in Maryland anymore. Blending humor and history, original pen and ink drawings and stories that leave the reader wanting more, Initiation Rites is a fictional memoir that touches an adventurous spirit in all of us that few have ever followed. **From the Vineyards of Hell** Harry Jay Thorn, 2017-04-06

When ex-lawman Captain Joshua Beaufort late of Hood's Texas Brigade marches clear of the hell that was Gettysburg he has no intention whatsoever of any further engagement in the Civil War; he has, in his own words, killed enough Yankees. But the war has not finished with the Confederate captain and captured by Union troops he is given a choice: help to end the war on their terms or spend the rest of it in a prisoner-of-war camp. Colonel Horatio Vallance and the mysterious E. J. Allen persuade him it is in his best interests to cooperate with the North. So in company with and under the watchful eye of young Corporal Benbow Beaufort returns to his home state of Texas to old loves, old friends and old enemies. His task: to bring back the head of Buford Post, a notorious warmonger and gunrunner who is in possession of 300 stolen Henry repeating rifles. **A Tree or a Person or a Wall: Stories** Matt Bell, 2016-09-13

Here we have Matt Bell at his most inventive and uncanny: parents and children, murderers and monsters, wild renditions of the past and stunning visions of the present, all of which build to a virtuoso reimagining of our world. A 19th-century minister builds an elaborate motor that will bring about the Second Coming. A man with rough hands locks a boy in a room with an albino ape. An apocalyptic army falls under a veil of forgetfulness. The story of Red Riding Hood is run through a potentially endless series of iterations. A father invents an elaborate consuming game for

his hospitalized son Indexes maps a checkered shirt buried beneath a blanket of snow they are scattered through these pages as clues to mysteries that may never be solved lingering evidence of the violence and unknowability of the world A Tree or a Person or a Wall brings together Bell's previously published shorter fiction the story collection How They Were Found and the acclaimed novella Cataclysm Baby along with seven dark and disturbing new stories to create a collection of singular power

Stone Rain Linwood Barclay, 2007-05-01 Metropolitan newspaper writer Zack Walker has a knack for stumbling onto deadly stories But it's one that his good friend Trixie Snelling doesn't want told that's about to unleash a storm of trouble As a professional dominatrix in the suburbs Trixie has her share of secrets but Zack has no idea what she's really hiding when a local newspaperman threatens to do an exposé on her not until Zack finds a dead body strapped to the bondage cross in her basement dungeon Now Zack is implicated in a murder Trixie is missing and everything he thought he knew about his friend his town even his own marriage reveals a darker side Zack's twisted trail to the truth will lead to a long unsolved triple homicide bikers drug wars and a stone cold killer hell bent on revenge It's a story that's already cost him his job and possibly his wife and if Zack's not very lucky it will cost him his life
