

3M™Scott™ Sight

Hands-Free Thermal Intelligence

When you wear 3M Scott Sight, you get more than constant thermal vision. You get your hands back. That's because unlike other hand-held thermal imagers, Sight uses a small thermal camera mounted to the side of the facepiece. A miniaturized display mounted inside the facepiece allows the firefighter to always see the image without the need for reaching down and handling an imager.

storage

Features

- Auto System Power Off
 - Equipped with an accelerometer to automatically turn off the system when not in use
