Episodes in Visions Zebron Ncube D. Min.,2016-10-18 In his book Dr Zebron Ncube argues that in spite of socio political chaos and pessimistic and secular thinking that dominate human society the Book of Revelation tells us that God is still in control This is the prism through which the Book of Revelation should be read In Episodes in Visions each episode has its own full Bible text key thought major objective overview and discussion with practical implications The preacher will find this book to be a tremendous resource for a preaching series Individuals and study groups will benefit from the easy to use outlines of the book The book is written from a preachers perspective to give hope to a cringing spirit because the foundations of human society are crumbling God is in control Dr Zebron Ncube explains the mysteries of symbols and numbers to connect the contemporary mind with John and his first century audience No other book has so much relevance to the contemporary church and world as does the Book of Revelation that Dr Ncube writes about

Good Ole Rotten Apples Judy Frankamp,2014 Judy Frankamp discovered that being raised in a religious home was not enough It was only when Jesus her Saviour became the Lord of her life she truly understood what it meant to be born again Then she could not help but be honest and confront those around her She takes us into specific issues that have bothered many Christians but they could not quite get a handle on them Frankamp knows how to put them into words With an engaging homey style the author explains how she learned that her favorite Christian talk show host was really pushing the New Age She puts into plain language what is wrong with Harry Potter She describes her confrontation with liberal pastors who didn t care if their Bible had removed or changed the words of God They just didn t want to make waves On several occasions she writes from the point of view of Satan and his devils scheming how to derail Christians There are some things like the Harry Potter craze that we just know aren t right but can t explain it After reading Frankamp s story you ll know how
