Wealth Without a Job Phil Laut, Andy Fuehl, 2004-09-27 Strategies for successful business ownership Job security has become a myth no matter where you work Alan Greenspan testified before the House Ways and Means Committee in February 2004 that there is a turnover rate of

approximately 1 million jobs per month Because of the turbulent job market more and more people are concluding that entrepreneurship is the way to go However many jobholders view entrepreneurship as risky Entrepreneurship isn't taught in schools and most entrepreneurs endure a baptism by fire before they taste success This book shows you learn not only how to strike out on your own but how to make your entrepreneurial dream a success Phil Laut Charlotte NC self published Money Is My Friend in 1979 and sold 400 000 copies in 18 languages Andy Fuehl Phoenix AZ is a recognized teacher of business psychology He has also worked for several Fortune 500 companies such as AT T Bell Labs and Motorola Mr Fuehl went from unemployed to self made millionaire in less than three years using the methods in this book The One Minute Leader Dr. M. L. Nichols, 2009-05-28 The reason for The One Minute Leader is There is a difference between a leader and a manager I found there is plenty of managerial training But on Leadership Too much is said Too little is read And leadership is almost dead That's why it is important for this book to be read Thus the birth of the one minute approach to applied leadership Voila The One Minute Leader 52 Weeks to Success was written A dynamic short less is more one liner approach about leadership and organizational success If you are to read only one book in order to apply and achieve results immediately after your first use and are looking for a one minute approach to leadership organizational development problem solving and a way to save your organization time and money The One Minute Leader is the book to read **Hypnotic Language** John Burton, Bob G Bodenhamer, 2009-09-30 Milton Erickson's complex language patterns form a major part of most therapists work This remarkable book develops the language further and includes comprehensive scripts and case studies Should be part of every therapist's tool chest Jeanie Phillips MA LPC Time Line Therapy and the Basis of Personality Tad James, Wyatt Woodsmall, 2017-10-10 Time Line Therapy and the Basis of Personality is a compelling study of the important elements that make up a person's core personality and a detailed exploration of and introduction to how Time Line therapy works in practice Written by Tad James and Wyatt Woodsmall Time Line Therapy and the Basis of Personality is a compelling study of the important elements that make up a person's core personality and a detailed exploration of and introduction to how Time Line therapy works in practice Utilizing discoveries made by Richard Bandler Time Line Therapy and the Basis of Personality expands and updates our knowledge of how people actually store their memories and sheds light on the effect that the system used for memory storage has on the individual The authors contend that the concept of Time Line or the notion of time that you have stored in your mind shapes and structures your experience of the world and therefore shapes your personality Time Line therapy is therefore based on the premise that the client goes back to the first time they remember a particular problem does change work utilizing Neuro Linguistic Programming NLP to eliminate irritating behaviors or issues and if necessary goes to subsequent times when their behavior or response was a problem and undertakes further change work to resolve it Time Line Therapy and the Basis of Personality offers readers the opportunity to see how Time Line therapy works providing a clear description of how to elicit the Time Line and sharing step by step

methods to subsequently help the client to release a limiting decision or trauma remove anxiety or set a future goal All of these key aspects are explained using clear language and easy to follow steps and the authors expert commentary is further complemented by examples exercises and transcripts in order to help the reader transfer the theory into effective practice
