Nmmu Student Guide For 2015:

ECMLG 2018 14th European Conference on Management, Leadership and Governance Dr. Ing. Benny M.E. de Waal, Prof. dr. Pascal Ravesteijn, 2018-10-18 **Strengthening Postgraduate Supervision** Sioux McKenna, Jenny

Clarence-Fincham, Chrissie Boughey, Harry Wels, Henk van der Heavel, 2017-03-22 An excellent collection of diverse and deeply reflective perspectives All offer insights into the multiple challenges confronted in improving the quality and depth of postgraduate supervision increasing throughput and dealing with complexity What is also affirmed is the importance of individual capability in supervision that is developed and nurtured over time and through arduous effort The book will be of value to novice supervisors and to more experienced ones Policy makers planners and administrators looking to enlarge their understanding of the postgraduate terrain in all its complexities will find the mix of theoretical and practical lenses through which the topic is approached particularly illuminating Professor Narend Baijnath Chief Executive Officer Council on Higher Education Where Am I in the Picture? Claudia Mitchell, Katarina Giritli-Nygren, Relebohile Molestane, 2023-12-18

Positionality and researcher reflexivity how to account for one's subject position remain as challenges for new researchers But they also remain as challenges for experienced researchers who are often involved in multiple research projects simultaneously Where Am I in the Picture sheds light on the idea of researcher positionality through visual methodologies particularly in the context of studying rurality in Canada Sweden and South Africa The book is intended for new and experienced researchers seeking to decolonize their own perspectives in research in the social sciences and humanities It incorporates photographs drawings and memory work to highlight the social constructedness of what counts as rural Drawing together compelling narratives from researchers about their positionality in studying rurality the book highlights a need for greater attention to where we are in the picture more broadly It suggests that when it comes to the rural researchers need to rethink the interplay of dominant images insider and outsider perspectives and what this interplay means in relation to interpretation Where Am I in the Picture presents a new vision of how to take into consideration positionality in research ICEL 2018 13th International Conference on e-Learning Professor Eunice Ivala, 2018-07-05

Co-Constructing and Sustaining Service Learning in Graduate Programs: Reflections from the Field Hos, Rabia, Santos, Brenda, 2023-08-18 Ensuring doctoral students receive a well rounded and thorough education is critical for their future success Service learning within the doctoral program is one of the many aspects that helps shape students experiences and prepares them for life after graduation Co Constructing and Sustaining Service Learning in Graduate Programs Reflections from the Field captures the experiences of doctoral students who were involved in socially just and sustainable service learning projects and what it meant for them to be engaged in scholarship through service learning The book also illustrates what service learning looks like and should look like in higher education particularly given the inequities that exist in the field of education Covering key topics such as online education academic identity and sustainable learning this reference

work is ideal for administrators policymakers researchers scholars practitioners instructors and students *Online Intercultural Exchange* Robert O'Dowd,Tim Lewis,2016-03-31 This volume provides a state of the art overview of Online Intercultural Exchange OIE in university education and demonstrates how educators can use OIE to address current challenges in university contexts such as internationalisation virtual mobility and intercultural foreign language education Since the 1990s educators have been using virtual interaction to bring their classes into contact with geographically distant partner classes to create opportunities for authentic communication meaningful collaboration and first hand experience of working and learning with partners from other cultural backgrounds Online exchange projects of this nature can contribute to the development of learner autonomy linguistic accuracy intercultural awareness intercultural skills and electronic literacies Online Intercultural Exchange has now reached a stage where it is moving beyond individual classroom initiatives and is assuming a role as a major tool for internationalization intercultural development and virtual mobility in universities around the globe This volume reports qualitative and quantitative findings on the impact of OIE on universities in Europe and elsewhere and offers comprehensive guidance on using OIE at both pedagogical and technological levels It provides theoretically informed accounts of Online Intercultural Exchanges which will be relevant to researchers in Computer Assisted Language Learning Computer Mediated Communication or Virtual Education Finally contributors offer a collection of practitioner authored and practically oriented case studies for the benefit of teachers of foreign languages or in other subject areas who wish to engage in developing the digital literacy and intercultural competences of their learners *Africa's digital future* Ali Parry,Susara J. Jansen van Rensburg,2021-12-31 The main thrust of this book is to examine whether Africa is in a position to benefit from the digital age given the continent's many development challenges and slow adoption of digital technologies While there is substantial literature on the digital economy and the quickening pace of the Fourth Industrial Revolution 4IR comparatively little research has been conducted on what the digital age means for Africa This book aims to close this research gap by using various qualitative and quantitative research methodologies to arrive at a cross section of original findings and perspectives on how Africa can capitalise on the benefits of digital developments including their potential to create jobs and bring about more inclusive growth The book's main contribution is its coverage of a range of topics that will affect Africa's digital future including industrialisation global value chains transport and logistics trade facilitation labour market dynamics employment and education The theme of digital trade forms a backdrop to many of the chapters along with references to the COVID 19 pandemic The book acknowledges that although African countries should learn from international best practices they need to chart their own course according to their own particular circumstances By adopting a digital mindset countries should be able to diversify economically and extend their market reach across the continent Furthermore while Africa should be looking to the future and determining how digital technologies can become effective tools of sustainable development the continent has much catching up to do **Advances and New Trends in**
