Project Title: "Development of manual for members of a National Health Organization on prospering Canning techniques"

PI: Dr. Jane Smith

Official Start Date: April 1, 2011

Official End Date: March 31, 2012

Requested end date: June 30, 2012

Justification: A no-cost project extension is requested to complete the work on this project. The initial project award date was April 1, 2011. However, the final approval to begin the project was not received until October, 2011. The delay in the receipt of funding support caused a delay for the entire project. For this reason project task number 5 which includes distribution of the completed manual has not yet been completed. In order distribute the manual and complete the final report, I'm requesting a three month extension to June 30, 2012.

There is NO change in the project scope. All other terms and conditions will remain unchanged.
