No Disrespect By Sister Souljah:

No Disrespect Sister Souljah, 1996-01-30 From the 1 New York Times bestselling author rapper and activist Sister Souljah uses her passionate voice to deliver what is at once a fiercely candid autobiography and a survival manual for any Black woman determined to keep her heart open and her integrity intact in modern America Each chapter of No Disrespect is devoted to someone who made a difference in Sister Souljah's life from the mother who raised her to the men who educated and mis-educated her about love and each bares a controversial truth about the Black condition in America the disintegration of families the unrelenting combat between the sexes and the thousand and one ways in which racism continues to circumscribe how Black people see themselves and treat one another The result is an outspoken and often courageous rejoinder to the pieties of race class and gender by a writer who is at once wise bawdy brutally funny and as sensitive a lightning rod in a thunderstorm Jet, 1995-02-27 The weekly source of African American political and entertainment news

Cambridge Companion to Contemporary African American Literature Yogita Goyal,2023-12-21 This book provides a systematic and vibrant account of the range and achievements of contemporary Black writers *Not My Mother's Sister* Astrid Henry,2004-09-07 No matter how wise a mother's advice is we listen to our peers At least that's writer Naomi Wolf's take on the differences between her generation of feminists the third wave and the feminists who came before her and developed in the late 60s and 70s the second wave In *Not My Mother's Sister* Astrid Henry agrees with Wolf that this has been the case with American feminism but says there are problems inherent in drawing generational lines Henry begins by examining texts written by women in the second wave and illustrates how that generation identified with yet also disassociated itself from its feminist foremothers Younger feminists now claim the movement as their own by distancing themselves from the past By focusing on feminism's debates about sexuality they are able to reject the so called victim feminism of Catherine MacKinnon and Andrea Dworkin Rejecting the orthodoxies of the second wave younger feminists celebrate a woman's right to pleasure Henry asserts however that by ignoring diverse older voices the new generation has oversimplified generational conflict and has underestimated the contributions of earlier feminists to women's rights They have focused on issues relating to personal identity at the expense of collective political action Just as writers like Wolf Katie Roiphe and Rene Denfeld celebrate a new feminist hetero sexuality posited in generational terms queer and lesbian feminists of the third wave similarly distance themselves from those who came before Henry shows how 1970s lesbian feminism is represented in ways that are remarkably similar to the puritanical portrait of feminism offered by straight third wavers She concludes by examining the central role played by feminists of color in the development of third wave feminism Indeed the term third wave itself was coined by Rebecca Walker daughter of Alice Walker *Not My Mother's Sister* is an important contribution to the exchange of ideas among feminists of all ages and persuasions **African American Women's**

We Can't Go Home Again Clarence E. Walker,2001-06-14 Afrocentrism has been a controversial but popular movement in schools and universities across America as well as in black communities But in We Can t Go Home Again historian Clarence E Walker puts Afrocentrism to the acid test in a thoughtful passionate and often blisteringly funny analysis that melts away the pretensions of this therapeutic mythology As expounded by Molefi Kete Asante Yosef Ben Jochannan and others Afrocentrism encourages black Americans to discard their recent history with its inescapable white presence and to embrace instead an empowering vision of their African specifically Egyptian ancestors as the source of western civilization Walker marshals a phalanx of serious scholarship to rout these ideas He shows for instance that ancient Egyptian society was not black but a melange of ethnic groups and questions whether in any case the pharaonic

regime offers a model for blacks today asking if everybody was a King who built the pyramids But for Walker Afrocentrism is more than simply bad history it substitutes a feel good myth of the past for an attempt to grapple with the problems that still confront blacks in a racist society The modern American black identity is the product of centuries of real history as Africans and their descendants created new hybrid cultures mixing many African ethnic influences with native and European elements Afrocentrism replaces this complex history with a dubious claim to distant glory Afrocentrism offers not an empowering understanding of black Americans past Walker concludes but a pastiche of alien traditions held together by simplistic fantasies More to the point this specious history denies to black Americans the dignity and power that springs from an honest understanding of their real history
