Down the Endless Road T. S. Barnett, 2015-02-03 Chaos brews just under the surface of Europe after Adam Weiss s surprise attack against the Wolfjager The organization is in turmoil retreating into itself for fear of total destruction It s more than a little frustrating for Alicia who has less patience for bureaucracy than ever If the council s unwillingness to fight back wasn t enough there s also the mystery of the missing Wolfjager there are too many outposts gone and not enough bodies Desperate for progress Alicia joins up with a ragtag group of equally impatient special agents who will show the werewolves what it really feels like to be hunted Adam has problems even without the vigilantes interference He s keeping too many secrets and those closest to him are losing their faith He s promised the werewolves their freedom but his definition of free doesn t seem to match David s Lukas has been relegated to an errand boy and the position doesn t sit well with him Adam s schemes might earn him more enemies than he expected Despite it all the wheels keep turning and no war lasts forever

No Such Things As Wolves Amanda Truman, 2013-05-03 blAA COOL *Project Bloodborn - Book 8* Craig Zerf, 2020-09-29 The adventure continues Brenner is not a werewolf He is the result of a secret US Army experiment The creation of a government controlled Super Soldier And no one asked if he wanted to take part So he escaped And for the last fifty years has been living in the backroads and the small unknown towns of America Never aging Searching for a cure At the same time avoiding the dark ops experts who are looking for him But just because he can become a seven foot four hundred pound killing machine it doesn t mean that Brenner is bad In fact he sticks to a strict code And like the High Plains drifters of old

anyone who crosses the Wolfman's code is sure to suffer. They took his humanity and now it's time for payback. Author's note: I was looking to create a character that brought to mind the high plains drifters of old. A western hero that rode into town on a dark horse, delivered justice and retribution in equal measure, and then rode off into the sunset. A modern day gunslinger with a dark secret. I hope that I did the premise justice. Praise for Craig Zerf! This is an exciting story written by a master. Can't wait to read more by this author. What if this story really happened? Wow! This book is sheer Perfection. It has everything. Brenner's story makes you sad, then happy, scared, and anxious, then shouting and cheering. One moment you are crying, and the next you can't stop laughing. Craig Zerf is definitely now on my list of favorite authors. Do yourself a favor and buy this book. Violent and exciting. The characters make no excuses; they are monsters, and violence is their trade. Despite this, the main character is likeable and interesting. This book is a fast fun read, and I am looking forward to more from the author. Mr. Zerf, I must compliment you on each and every one of the stories in this series. Words like exceptional, outstanding, gripping, unrelenting, engaging, and yes, enthralling, simply are NOT enough to do these stories justice. Scroll up and buy now, or get it on KU for FREE. Project Bloodborn is a Shapeshifter Werewolf novel. It should be popular for all those searching for Urban Fantasy, Vampires, Ghosts, Magic, and Psychics.
