

But all the people on the Earth were being badly behaved so God decided to send a Flood that would wipe out evil.

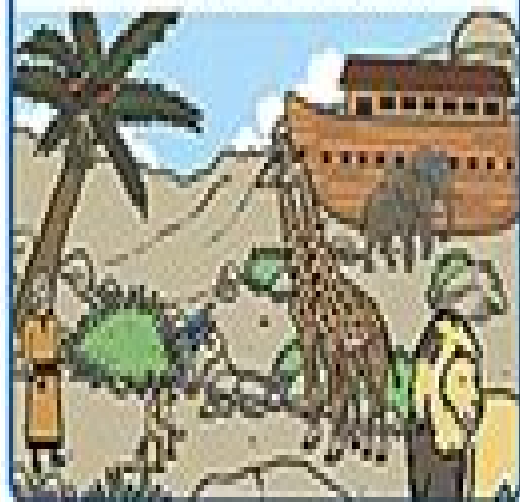

However, there was one good man on Earth. His name was Noah, and God trusted him.

God decided that He would save Noah by telling him that the Flood was coming, and that Noah to build a really big boat, called an ark.

After Noah had built the ark, God told him to put two of every animal on the Earth in it, both male and female.

His family and the animals were all safely on the ark, but it rained for forty days and nights.

It flooded the Earth. Every living thing on the face of the earth died except for Noah, his family and the animals who were safe in the ark.

The sun came out, the waters started to dry up, and came to rest on a mountain. Noah sent out a dove to find dry land, but it came straight back.
